

A woman becomes a
reflection of how you
treat her. If you
don't like how she's
acting, look at how
you are treating her.

Reflections For Women:

Reflections of Women in Antiquity Helene P. Foley, 2013-01-11 Published in the year 1981 *Reflections of Women in Antiquity* is a valuable contribution to the field of Performance *Reflections for Women* Ruth Johnson Jay, 1981

Woman of Worth Melanie Rigney, 2018-09-15 These days women are so busy about so many things that it's easy to lose sight of one's being in the midst of one's doing. Any woman wondering about her worth to her family to her colleagues to herself and to God will find much to rejoice in here. Each chapter takes a verse or two from Proverbs 31 and offers a personal story, a reflection on the verse, a portrait of a woman saint who exemplifies the verse, some questions designed for discussion or contemplation, and a prayer. Read it from beginning to end or dip in here or there as a verse strikes you; there's no wrong way to read this book. The clear affirming message is that God loves you and you ARE a woman of worth, no matter where you find yourself in life. Book jacket *Reflections for Women* Ruth Johnson Jay, 1985 **Simpler Times** Kathleen

McDonald, 2015-03-17 Curl up in a cozy chair with a cup of coffee or tea and meet some amazing women who just happened to be in the same little neighborhood at the same time. These friends walked into the author's heart and inspired her to be a better mother, teacher, and friend, and to recognize more fully the varied gifts God's children offer. Each woman represents a unique virtue or talent, making her a life-giving vessel in the body of Christ. Using names that best fit the gift, the stories are narratives that will delight, touch, and invite deep personal reflection. Poetry and prayer flow from each story as natural as a breath of air. Because their stories give practical applications for daily living in Christ, questions for further contemplation or for sharing follow each section, along with Scriptures to reflect on and suggested activities or related reading. These friends are presented in word pictures that tug at the heart. They bring with them joy and sorrow, wisdom and insight. They will remind the reader of someone they know and lead to a better understanding of that person. The reader may even find a picture of, as well as a better understanding of, herself. **Hugs Bible Reflections for Women** Mindy Ferguson, 2009-08-04 The latest in the bestselling Hugs series features inspiring Bible verses paired with heartwarming stories written by ordinary women who have stepped out in faith and experienced God's faithfulness to them. *Hugs Bible Reflections for Women* is a moving collection of stories told by women who are not afraid to bare their souls and share their hard-earned life wisdom. Reflections on Women's Ordination Stephen Bohr, 2015-05-07 The church may appear as about to fall but it does not fall It remains while the sinners in Zion will be sifted out the chaff separated from the precious wheat This is a terrible ordeal but nevertheless must take place The remnant that purify their souls by obeying the truth gather strength from the trying process exhibiting the beauty of holiness amid the surrounding apostasy Ellen G White Letter 55 Dec 8 1886 written from Basel Switzerland to G I Butler and S N Haskell Dear reader does the prophetic guidance just quoted strike you as being just a tad scary If you have been paying close attention lately a movement has been steadily but stealthily building over the past several years and is now dangerously close to reaching groundswell proportions in the North American Division and beyond This movement would accomplish the objective of ordaining women as full fledged ministers of the Gospel Are you concerned Is there anything you could or should do about it Before you answer please take the time to read through this little book

Encountering the Sacred Rebecca Todd Peters, Grace Yia-Hei Kao, 2018-12-27 Many women of faith are interested in having deep conversations with their friends and families

about issues they face in their personal lives Unfortunately there is a dearth of feminist and theologically progressive materials for these women to turn to for counsel or advice Simultaneously there are a growing number of theologically trained biblical scholars theologians and ministers who are experiencing similar life challenges but who are generally discouraged from writing about these experiences in ways that would be accessible to the general public This book bridges the chasm between Christian laywomen and feminist theologians For the last fifty years feminist theologians have sought to reimagine Christian theology in ways that speak to the realities and complexities of women s lives They have also sought to use women s experience as the starting point for theological reflection in the same way that men s lives have shaped the history of Christian theology for the past 2000 years In this book feminist Christian scholars of theology and religion use the tools of their trade to examine powerful personal life experiences and to search for new and empowering ways of understanding the power of the sacred as they have experienced it **Reflections of Women in Antiquity** Helene P.
