Reflect

"Moments of reflection occur with calm deliberation and careful thought. Imagine the thoughts which would come to you if you would simply allow them. By giving intentional consideration to a situation, you will gain clarity which you may not have achieved otherwise."

Reflections Of Life In Our Town

Reflections Of Life In Our Town:

Reflections of Life in Our Town James, 2004 *Reflections of Life in Our Town* is a satirical look at life and values in small town America. The book is occasionally absurd, occasionally offensive, sometimes sensitive but mostly just funny. Our Town does not exist in a time nor does it really inhabit a specific place though most of its inhabitants believe that they are somewhere in Ohio and all agree that they are definitely on the planet Earth. The citizens of Our Town live life pretty much as any Americans do dealing with such issues as the spread of communism, the rise of the superstore and rampaging ogres at the end of the street as we all would. The cast of characters in Our Town is wildly varied from the senile village elder Grandpa Genkaku to the physically indescribable Laughlin twins. There is a child prodigy with a fish bowl on her head, a many tentacled alien from the dark side of Saturn and of course the aforementioned ogres. Though varied together they form a relatively tight community trying to cope with the trials of everyday life. And everyday life in Our Town is pretty much like life in any town. You have your good days and your bad, your successes and your failures. One day a wandering band of angels is scandalizing the local women, the next day the circus comes to town. Life is kind of like a roller coaster that way. The citizens of Our Town also offer forays into outer space in order to rediscover previously discovered planets and a quest for god while in pursuit of a red balloon. While life in Our Town may not be quite as exciting as life in places like Toledo, we generally manage to fill our days quite well. So these are my reflections of life in Our Town. While some may seem a bit bizarre at first glance, upon closer inspection they really are not that much different from the things most people experience in life. After all, it's about values and an appreciation for the things which we hold most dear. So join me as I take a stroll down memory lane. Relax and have a laugh, just be careful not to step in any ogre.

[Reflection On Life In Buffalo NY \(1932-92\)](#) Thomas Murphy, 2006 Tom Murphy and his family lived in Buffalo, NY. At various times he was employed as a landscaper, appliance salesman, insurance agent, real estate developer and civil servant. He worked for and with some of Buffalo's most noted and controversial business and political figures including Joseph N. Desmon, Harold Farber, Robert J. Bradley, Philip B. Schwab, Edward H. Cottrell as well as Frank Sedita, Stanley Makowski and Jimmy Griffin. Murphy loved each and every job and yet he always found time to laugh and to play with friends and family.
