Reflective Journeys Methuselah:

Reflective Journeys... George Kassabgi, 2006-02 Reflective Journeys Methuselah is a philosophical exploration of concepts pondered from childhood Take a journey of thought and introspection unlike any before Immerse yourself in this collection of writings organized in three sections Infinity Empty and Familiar Revisit your inquisitiveness and emerge with new questions and new meaning In the silent pauses of our lives subtle gaps amid our commotion We sit next to our elder selves only to move in haste Summoned back to the noise of the moment Bench A bristlecone pine in the California White Mountains Methuselah is the world's oldest living thing It lives in a desert climate at over 10 000ft elevation Over 46 centuries old it was a seedling before the Egyptian pyramids were erected For more on Reflective Journeys Methuselah please visit our web site at <http://www.ugik.com>

Reflective Journeys - Vitae G. Kassabgi, 2024-05-07 What if our conscious thoughts are living forms vitae What is happening in the brain when a mind and consciousness are felt internally Where does consciousness come from Are consciousness and nature somehow interconnected I cannot think of a more interesting thing to ponder and so for over 2 decades I've explored concepts surrounding these types of reflections using a poetic shape a type of mirror for the reader's mind Occasionally these pieces are directly and specifically aimed at the center of the inquiry and often they were tangential or in the shadow of the central themes In the shadow of a source we are sometimes able to see things that would otherwise not be seeable The collections have approached the questions surrounding these vitae as such each inspired by a unique living organism Methuselah an exploration of our journey through time above all else we must consider the dimension of time There are things that transcend the dimension of time what does this mean and how can we our lives so brief and fragile comprehend this Architeuthis questions about things known to exist but unseen Let's think about this things known to exist but unseen empiricism is challenged What do we make of the countless things that believed to exist To believe is not exactly equivalent as to know and this is no academic detour Questions of faith surface quickly Actias Luna the incredible metamorphosis and transformation the caterpillar and moth An inevitable destiny understood in a manner apart from cognition Here we begin to ponder what it means to know something in ways having nothing to do with cerebral thought processes Tuugaalik the unicorn whale What unfolds as we live out a dream is more transformational more awe inspiring than we could have ever imagined Notice the use of live out a here and remember that thoughts as vitae do precisely this they live Questions about knowability run deep what we come to know often unfolds in ways we could not have imagined It is thus the ambitious aim of these collections to present the reader with an ensemble a framework of mental mirrors to approach some of the most elemental questions In reality every reader is while he is reading the reader of his own self The writer's work is merely a kind of optical instrument which he offers to the reader to enable him to discern what without this book he would perhaps never have perceived in himself Marcel Proust We return to our vitae towards the end of this work and for the first time in over 2 decades attempt to assemble some of the puzzle pieces

Reflective Journeys G. Kassabgi, 2009 George Kassabgi is a contemporary writer philosopher following in the footsteps of Stefan Zweig Kahlil Gibran and Rainer Maria Rilke Born in Northern Italy George now lives in Winchester Massachusetts with his wife Maria and three sons George Emil Nicholas and Louis A sequel to the author's previous collection entitled *Methuselah Reflective Journeys* Architeuthis is an exploration of philosophical concepts and reflections on life all around us Continue a journey of thought and introspection unlike any before Immerse yourself in this collection of writings organized in three sections Life Death and Source Reframe and restructure your inquisitiveness to emerge with new questions and new meaning The struggle of your time will come Sitting in your lap staring at you in silence It haunts your sleep and wrestles your thoughts Daring to shape you it waits patiently restless Embrace The giant squid Architeuthis an animal that transcends our science and technology drawing fear and fascination curiosity and bewilderment Architeuthis reminds us that nature and its life forms remain full of important questions full of mystery Life directly in front of us in the depths of our consciousness calls out for exploration This is the precious gift of this oceanic creature in the context of mankind and its quests a reminder of the wonders that surround us and the fundamental questions that prevail For more on *Reflective Journeys* please visit our web site at <http://www.ugik.com>

The Autobiography of Methuselah John Kendrick Bangs, 2019-12-10 In *The Autobiography of Methuselah* John Kendrick Bangs masterfully intertwines humor and philosophical reflection offering a unique and satirical take on the biblical figure known for his extraordinary longevity Written in a style reminiscent of both the Victorian era's humor and contemporary wit Bangs employs a first person narrative that brings Methuselah's thoughts and experiences to life The book is enriched with clever references to the cultural and scientific milieu of the late 19th century reflecting the era's fascination with aging mortality and the human condition while simultaneously providing a comedic lens through which to view the age old themes of life and death John Kendrick Bangs an American author and humorist was known for his playful engagement with literary forms and traditions His career blossomed during a time when contemporary writers were exploring new ground in fiction often blending genres to challenge societal norms Bangs' insights into both human nature and societal absurdities were undoubtedly influenced by his experiences in academic circles and his personal contemplation of life's mysteries rendering him well equipped to tackle the monumental character of Methuselah in an accessible and engaging format This book is highly recommended for readers who appreciate literary humor blended with philosophical depth Bangs not only entertains but also provokes thought about existence making it a compelling read for anyone interested in exploring the intersection of comedy spirituality and the contemplative aspects of life

Christ's Timeless Journey to the Tree of Life - New Numerological Interpretations of the Book of Revelations Raphael Honeyman, 2018-11-11 The book presents and explains new numerological interpretations of the Revelation of John The book takes a novel approach as it combines the Revelation of John with the search for the Tree of Life described in the first book of the Bible Genesis By combining the first book with the last book of the Bible the Alpha with the Omega a new insight is created Around the

World in 366 Tales - January Journeys Steve Wilson, 2018-01-18 Ten year old Sadie Meadows is reading in bed on New Year's Eve when she finds a book called *The World from Your Bedroom There and Back Again* but when she opens it up and begins to read she is a little disappointed to see it is nothing more than a travel book packed with pages detailing hundreds of places across the world. She reads the first page then puts the book down just as sleep claims her at the instant that the New Year arrives. She awakes to find that instead of being in her bedroom at home in Skipton somehow she has been transported to Wexford in the Republic of Ireland the location that she had just read about in the book. There follow a series of adventures each set in a different location as Sadie finds herself travelling across the globe as she attempts to get back home again. Her journeys this month take her to south western Europe, North Africa and the extreme north of the North American landmasses.

Touching Stories of My Life in Journey to Christian Holiness and Hands-on Patient Care in a Weeping Healthcare Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series *Christianity and the Human Brain*. It integrates the neuroscience and the Bible, the Holy Book of our Lord Jesus. My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine, my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation. It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth. In other words, a big part of the human brain is actually outside the skull and the body. As I perform brain surgeries for three decades, I realize my theory is so true. The majestic human brain can't be just the 1,500 grams of jelled matter inside the skull. The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God. The spiritual human brain never dies; only the flesh. It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit, lacking the physical proof that science demands of me. My life is dedicated to my Lord Jesus, patients and residents. As a physician, I have reached the top in America. I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals. As an academic teacher, I trained for more than thirty-four years, graduating thousands of trainees. But all is nothing as I strive for the Christian holiness and fullness. In a weeping healthcare with many patients falling victims, I included actual patients' miracles, testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral, goodhearted medicine. This book is full of many vibrant stories that I love to share. It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored. The book is a text of wealth covering broad and diverse topics of my life's journey in 134 chapters and organized over 14 sections. So many chapters are written about my special love for Lord Jesus Christ and His children. In poems, deep reflections and spiritual release of mind, I wrote extensively. In fact, I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories. A special section is dedicated to the mothers' newborns and little children. While my soul is grieving, a section

is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about First Move of the Anti-Christ Annette Akerman, 2019-12-22 Written from the standpoint that Satan's onslaught of the human race began as a result of his success with his temptation of Eve and continues still today First Move of the Antichrist tell a story beginning with the temptation in the garden The story builds credence with the introduction of humans that had been the preliminary creation of God from the very beginning It is a story of violence hatred and loss of innocence told as it might have occurred using the premise in scripture that there was no man to till the ground until God created Adam The story gives life and personality to the fathers of the Old Testament and builds to a cataclysmic end as it lays the groundwork for the first move of the antichrist Skeletons J. A. Zalasiewicz, Mark Williams, 2018 The evolution of skeletons enabled an unprecedented array of bodies to evolve from the tiniest seed shrimp to dinosaurs and blue whales This book explores the incredible variety of skeletons in nature and the impacts of climate change and of medical and technological advances for the future of skeletons The Dealings of God, Man, and the Devil; as Exemplified in the Life, Experience and Travels of L. Exploring Space: 1999 John Kenneth Muir,2015-09-15 Starring internationally renowned actors Martin Landau Barbara Bain Barry Morse and Catherine Schell the British made Space 1999 was the only truly original space adventure of the mid 1970s Sandwiched between the demise of the original Star Trek and the opening of the Stars Wars series on the big screen Space 1999 featured a richly visualized world where space was terrifying and mysterious where not all problems were solvable by technology and the space travelers were very human From the science fiction show s conception in 1973 to its cancellation in 1977 this reference work covers each of the 48 episodes in depth including a full plot synopsis writer director guest star credits and critical commentary that examines both the episode and other shows that have used similar plotlines The popularity of Space 1999 memorabilia and its many fan clubs are fully discussed along with the possibility of a future movie or reunion show that would tie up the loose ends caused by the show s abrupt cancellation

The Silver Snarling Trumpet Robert Hunter,2024-10-08 Discovered at last the legendary lost manuscript of Grateful Dead co founder and primary lyricist Robert Hunter written in the early 1960s a wry richly observed and enlightening remembrance of the scene in Palo Alto that gave rise to an incredible partnership of Hunter and Jerry Garcia and then to the Grateful Dead itself with a Foreword by John Mayer an Introduction by Dennis McNally and an Afterword by Brigid Meier Strange to think back on those days when it was perfectly natural that we all slept on the floor in one small room These were the days before practical considerations matters of importance began to eat our minds We were all poets and philosophers then until we began to wonder why we had so few concrete worries and went out to look for some So wrote Robert Hunter in The Silver Snarling Trumpet both a novelistic singular work of art and the missing piece of the Grateful Dead origin story In these pages readers are privy to the early days of Hunter Garcia and their cohorts who sit at coffee shops passing around a single cup of bottomless coffee because they lacked the funds for more than one Follow these truth seeking souls into the stacks at Kepler s Books renting instruments at Swain s House of Music and through the countryside on mind expanding road trips Witness impromptu jams inspired intellectual pranks and a dialogue that is by turns amusing and brilliant and outrageous Hunter shares his impressions of his first gig with Garcia for a college audience along with descriptions of his most intense dreams and psychedelic explorations All of it enlivened by Hunter s visionary spirit and profound ideas about creativity and collaboration The lost manuscript is augmented with a Foreword by John Mayer an Introduction by Dennis McNally and an Afterword by Brigid Meier who was part of their scene in the San Francisco Bay Area that served as a bridge from the beatniks to the hippies Also included is Hunter s own 1982 assessment of his work about how he shared it with close confidants but then decided to leave it unpublished Five years after Hunter s death the text has been found so readers and fans of Hunter s indelible poetry and song can explore the origin of his genius and his craft **Deep South - Deep North** Lottie B. Scott,2018-06-27 Deep South Deep North By Lottie B Scott In Deep South Deep North A Family s Journey Lottie B

Scott tells both the heartbreaking and triumphant tale of her maturation into adulthood against a racially charged impoverished yet fiercely loving backdrop in Longtown South Carolina Scott traces her family history peppered with familial violence and love alike She describes her early childhood years of living amidst a sea of brothers until little sisters finally arrived Under the cloud of racial discrimination difficult farm working conditions and family tensions Scott describes the unbreakable bonds of love that eventually emerged to forever bind her family members together As the passing years turn to decades and family members move north Scott reveals how these bonds of love become a transformative power forever altering the lives of each member of her family

Made in the Imago Dei! , The Afterlife in Early Christian Carthage Stephen E. Potthoff, 2016-12-01 The Afterlife in Early Christian Carthage explores how the visionary experiences of early Christian martyrs shaped and informed early Christian ancestor cult and the construction of the cemetery as paradise Taking the early Christian cemeteries in Carthage as a case study the volume broadens our understanding of the historical and cultural origins of the early Christian cult of the saints and highlights the often divergent views about the dead and post mortem realms expressed by the church fathers and in graveside ritual and the material culture of the cemetery This fascinating study is a key resource for students of late antique and early Christian culture
