### **Restructuring The Medical Profession: The Intraprofessional Relations Of Gps And Hospital Consultants**

Baeza, Juan,2005-11-01 What is the relationship between general practitioners GPs and hospital consultants in the United Kingdom How does government health policy impact upon GPs and hospital consultants What influence does the medical profession have upon policy makers in the United Kingdom The medical profession occupies a dominant position within the British health care system and as such is able to influence the development and implementation of health policy The main division within the medical profession lies between general practitioners and hospital consultants This book provides a comprehensive analysis of British health policy over the past twenty five years Drawing on data from case studies it provides empirical evidence of the impact of recent health policies upon the National Health Service in general and the medical profession in particular The case studies provide an analysis of the impact of the 1991 NHS reforms as well as examining the ongoing influence of the post 1999 NHS reforms upon these intraprofessional relations What emerges is that the relationship between GPs and hospital consultants is transforming from a collegial to a more managerial relationship This book sheds light on the resulting development of intraprofessional relations between GPs and hospital consultants within the NHS Restructuring the Medical Profession is key reading for undergraduate and postgraduate students researchers and professionals in the fields of social policy and health policy It is also of interest to health service practitioners health service researchers and health policy makers *Vietnamese Health Care System in Change* Kerstin Priwitzer,2003-08-01 Within the last twenty years a large scale bottom up privatization has taken place in Vietnam changing and dismantling the public

health care system This process has led to severe tensions inherent in the transitional society of Vietnam between equity and access to health care support especially for the poor elderly migrants and ethnic minorities on the one hand and its efficiency on the other hand The book traces the reform efforts to modernize the health care system by the Communist Party of Vietnam and the Vietnamese government The author bases her findings on little known primary literature and interviews with key stakeholders of the policy network involved in the reform of the health care system thereby painting an authentic atmospheric picture of the profound changes in the health care system in Vietnam *State Health Insurance Market Reform* Joel C. Cantor, Alan C. Monheit, 2012-09-25 In this volume leading American health economists provide a critical assessment of the current state of knowledge of insurance market reform that is accessible to both policy makers and researchers

**Healthcare Management and Economics: Perspectives on Public and Private Administration** Merviö, Mika Markus, 2013-04-30 The long standing debate on public vs private healthcare systems has forced an examination of these organizations in particular whether these approaches play corresponding or conflicting roles in service to global citizens Healthcare Management and Economics Perspectives on Public and Private Administration discusses public and private healthcare organizations by gathering perspectives on the differences in service management delivery and efficiency Highlighting the impact of citizens and information technology in these healthcare processes this book is a vital collection of research for practitioners academics and scholars in the healthcare management field *Health Reform* Daniel Drache, Terry Sullivan, 2005-08-18 Health Reform explores the challenges facing health care provision in the advanced economies The book exposes the limitations of market led health reform and demonstrates the indispensable role of a vibrant public authority in the renewal of modern health care systems Issues covered include cost containment and privatisation strategies in an international perspective the role of business and the private sector in setting the agenda for health care reform the restructuring of Anglo Saxon health systems and the shift in state market boundaries in Canada the USA the UK and Australia the frontier of health care reform in terms of health and social cohesion the role of patient choice in health care reform **Political Science Abstracts**, 2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available **EBOOK: The Politics Of European Union Health Policies** Scott Greer, 2009-06-16 Scott Greer has done a remarkable job in explaining how the Europeanization of health policy takes place how institutional legacies exert an influence in lobbying how harmonization exacerbates path dependent welfare structures that in turn impede a race to the bottom and why the idea of a European social model creates positive external effects even if it is only an ad hoc policy construction Journal of European Social Policy 2010 20 2 Provides an original and thought provoking perspective and approach combining in depth theoretical discussions and well researched case studies over 11 chapters The book is well written and insightful and the main argument is that EU law and policy developments directly and indirectly

have the potential of undermining domestic health systems and the political actors within them *Journal of Common Market Studies* 2010 Volume 48 Number 3 This book provides a unique insight into what is going on unnoticed by most below the surface in EU health policy It serves as a wake up call for those who continue to believe that the EU is of marginal interest and relevance in national level debates about the direction of health care In addition in an engaging and lively style it provides essential guidance for students of health policy who seek to understand the labyrinthine processes and the wide ranging unintended consequences for good and for bad of EU policy making Professor Naomi Chambers Head of Health Policy and Management Manchester Business School In this insightful book Scott Greer describes how European health policy has long been developed in a secret garden where a small number of people find pragmatic solutions to immediate problems while avoiding the fundamental questions Yet the logic of European integration is tearing down the garden s walls creating a public park where pragmatism takes second place to principles Something must be done but it is not clear what Greer s book will be essential reading for anyone who is responsible for organising how health care is delivered in Europe Martin McKee CBE London School of Hygiene and Tropical Medicine UK This important new book explains how European Union EU developed policies shape and constrain health services It answers the key questions asked of EU health policy What is it Why did it happen What does it take to influence it and how can it be changed Using extensive new data Greer discusses how EU policy is influenced by lobbies in Brussels and by four big member states France Germany Spain and the United Kingdom Shaping EU health policy takes information coordination nimbleness and focus The book examines the ways that the successful health lobbies and member states work identifies weaknesses and emphasizes the challenge to health policymakers if they do not influence EU health policies they will lose influence over their own health systems The Politics of European Union Health Policies will be of great interest to students and academics of EU policy and politics as well as health policy makers
