Asylum Seekers and Refugees in the Contemporary World David J. Whittaker, 2006-03-10 Examining a number of case studies including Palestinian Afghan and Iraqi refugees David J Whittaker s book provides a balanced introduction to this very controversial subject Fuelled by extensive coverage in the media the issue of asylum seekers and refugees is one of the most talked about subjects in contemporary politics Whittaker cuts through the emotive language to give an objective introduction to the subject Asylum Seekers and Refugees in the Contemporary World discusses the international as well as national

implications of the issue and the book looks in detail at the issue as it has affected Britain and Europe in particular as well as including material on the UN and its response to the refugee problem Including a final statement on the British government's 2005 proposals for dealing with refugees this volume is essential reading for all students of the history of the modern world and is ideal for newcomers to the subject **Towards a Refugee Oriented Right of Asylum** Professor Laura

Westra, Professor Satvinder S Juss, Professor Tullio Scovazzi, 2015-07-28 This volume explores the factors that give rise to the number of people seeking asylum and examines the barriers they continue to face The authors explore the causality that generates displacement discuss how migrants are received and the problems they face on arrival and conclude by confronting the fate and status of asylum seekers after arrival The authors propose ways of approaching the situation beyond the present language and the limited interpretations of the Convention on the Status of Refugees The Rights of Refugees

under International Law James C. Hathaway, 2005-09-15 This book presents the first comprehensive analysis of the human rights of refugees as set by the UN Refugee Convention In an era where States are increasingly challenging the logic of simply assimilating refugees to their own citizens questions are now being raised about whether refugees should be allowed to enjoy freedom of movement to work to access public welfare programs or to be reunited with family members Doubts have been expressed about the propriety of exempting refugees from visa and other immigration rules and whether there is a duty to admit refugees at all Hathaway links the standards of the UN Refugee Convention to key norms of international human rights law and applies his analysis to the world's most difficult protection challenges This is a critical resource for advocates judges and policymakers It will also be a pioneering scholarly work for graduate students of international and human rights law **Migrants, Refugees and Asylum Seekers' Integration in European Labour Markets** Veronica Federico, Simone

Baglioni, 2021-04-21 This open access book discusses how and to what extent the legal and institutional regimes and the socio cultural environments of a range of European countries the Czech Republic Denmark Finland Greece Italy Switzerland and the UK in the framework of EU laws and policies have a beneficial or negative impact on the effective capacity of these countries to integrate migrants refugees and asylum seekers into their labour markets The analysis builds on the understanding of socio cultural institutional and legal factors as barriers or enablers elements that may facilitate or obstruct the integration processes The book examines the two dimensions of integration being access to the labour market which translated into a rights language means the right to work with its corollaries recognition of qualifications vocational training etc and non discriminatory working conditions which translated into a rights language means right to both formal and substantial equality and its corollaries of benefits and duties deriving from joining the labour market It thereby offers a novel approach to labour market integration and migration asylum issues given its focus on legal aspects which includes most recent policy changes and legal decisions including litigation cases The robust evidence based and comparative research illustrated in the book provides academics and students but also practitioners and policy makers with up to date knowledge

that will likely impact positively on policy changes needed to better address integration conundrums Working with Refugees and Asylum Seekers in Moldova ,2004 **Let Me Be a Refugee** Rebecca Hamlin,2014-08-19 International law provides states with a common definition of a refugee as well as guidelines outlining how asylum claims should be decided Yet even across nations with many commonalities the processes of determining refugee status look strikingly different This book compares the refugee status determination RSD regimes of three popular asylum seeker destinations the United States Canada and Australia Though they exhibit similarly high levels of political resistance to accepting asylum seekers refugees access three very different systems none of which are totally restrictive or expansive once across their borders These differences are significant both in terms of asylum seekers experience of the process and in terms of their likelihood of being designated as refugees Based on a multi method analysis of all three countries including a year of fieldwork with in depth interviews of policy makers and asylum seeker advocates observations of refugee status determination hearings and a large scale case analysis Rebecca Hamlin finds that cross national differences have less to do with political debates over admission and border control policy than with how insulated administrative decision making is from either political interference or judicial review Administrative justice is conceptualized and organized differently in every state and so states vary in how they draw the line between refugee and non refugee *Race and Criminal Justice* Hindpal Singh Bhui,2008-12-18 The social landscape of race and ethnicity within contemporary Britain has become increasingly diverse and complex The old exclusive research emphasis in criminology on the outcomes of social inequalities and policies is now challenged by an appreciation of how race and ethnicity are constructed and other theoretical perspectives This collection of papers will introduce students to these subjects and do so usefully by addressing contemporary themes that must be given attention by criminologists Professor Simon Holdaway University of Sheffield This collection provides useful and up to date information on the response of police prosecution prisons and probation services to the challenges of increasing ethnic diversity It is an excellent source for students and practitioners concerned with reforming policy and improving practice Professor David J Smith University of Edinburgh London School of Economics This text delivers a comprehensive overview of race and ethnicity across the criminal justice system It unpacks terms such as race diversity and multiculturalism to equip students with a thorough understanding of this complex subject area Featuring chapters by leading experts *Race and Criminal Justice* provides a specialist introduction to each area of the criminal justice system including police prosecution prisons and probation It also features stimulating discussion of contemporary issues such as criminal justice responses to refugees and asylum seekers and the experiences of Muslims within the criminal justice system post 9 11 and 7 7 Each chapter follows a consistent structure offering an overview of key theories relating to the study of race ethnicity and criminal justice analysis of research policy and practice chapter summaries and further reading to support understanding **An Assessment of the Protection of Refugees and Asylum-seekers in Botswana** Ditshwanelo (Organization),1996 The aim of this study is to assess the extent

to which Botswana upholds the protection of asylum seekers and refugees
