Theodore F. Bonnet,1911 The Regenerators; a Study of the Graft Prosecution of San Francisco Theodore F.

Bonnet,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt VIII THE DYNAMITE EXPLOSION A Miracle by Which the Precious Life of a Great Grafter Was Spared and Which Enabled the Regenerators to Inflamm Public Sentiment At no time during the Graft Prosecution was the performance allowed to flag Whenever public interest seemed on the point of drooping something occurred to whip it up And invariably the something served the purposes of the pro prosecution press It was as though some power had contrived a preternaturally ingenious species of drama a piece historique as it were abounding in desperately conflicting events sensational effects picturesque situations unlooked for rencontres calculated to ravish the senses fillip the imagination and keep everybody on the qui vive The times were incessantly feverish It was melodrama from beginning to end Murder was always in the air Conspiracies to kidnap or kill were of monthly occurrence in the press nowhere else To the defendants were continuously imputed the most fiendish designs thus justifying repeated admonitions to the public to be ever on the alert lest the complete subversion of government be effected with the suddenness of a bolt from the blue All of which served to harrow up the souls of the susceptible and inspire them with hatred of the abandoned wretches who had the audacity to persist in fighting for their liberty Never was this machinery for the firing of public sentiment so active as during the trials of Abraham Ruef His first trial after the repudiation of his immunity contract was begun in April 1908 The trial of Tirey L Ford was then in progress before Judge Lawlor This was the first time that two graft trials ran contemporaneously Hitherto it was the policy of the prosecution to keep their forces united *The Regenerators a Study of the Graft Prosecution, of San Francisco (Classic Reprint)* Theodore Bonnet,2015-07-13 Excerpt from The Regenerators a Study of the Graft Prosecution of San Francisco To the Average Citizen Dear Sir Permit me to offer you this little book if for no other purpose than to employ you as a pretext for the writing of a foreword Though I do not agree with the writers of the long ago that a book rightly comprehended is but a peg on which to hang a preface redolent of the author s charming personality and palpitant with his life blood I feel that not always should a man hazard himself between book covers without an explanation The events which most deeply occupy the minds of one generation are often those of which the next knows least This thought occurred to me some years ago when as a

result of laborious research I made myself more or less familiar with the career of the Vigilance Committee of 1856 For many years it was supposed that the Vigilantes of San Francisco were public benefactors whose motives were untainted whose performances entitled them to the veneration of posterity Latterly it has been found that this judgment might be somewhat modified without incurring the suspicion of injustice Mindful of the tendency of events to become so clouded as to make it difficult to trace the connection between causes and effects About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
