A serene sunset over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is a deep blue-grey, with white foam from the waves visible. In the foreground, dark, jagged rocks are partially submerged, with waves crashing against them, creating white spray and foam. The overall mood is peaceful and contemplative.

Meister Eckhart might have liked it. Indeed, many one thinking is the idea that there is the one ultimate origin coherence spirit of it all but not without a multitude and diversity emerging within which is the evolving universe with planets like Earth with its biosphere and humankind with you and me living in it. The Many One is thought of as the whole of the cosmos complementing and entangled with all its parts as beings inside Being and Being inside beings as the Creator and his co-creating creatures. The both one and many idea takes a strong stance against any ultimate either/or reduction against isms of all sorts. Being unity and plurality and duality all at once. The Many One is neither monistic nor pluralistic nor dualistic in any way. Inside this broad frame it is open for many specific approaches not least those represented in this volume which are cosmic holism, cultural, spiritual, evolution, thought. Higher We integral thinking, the Metaphysics of Adjacency, panentheism, process theology and transpersonal participatory thinking. However, the many one idea also chimes in with approaches not sampled here like Roy Bhaskar's Critical Realism, Edgar Morin's Complex Thought or metamodernism. **Here's How** Lee Brown, 2013-05-03

How many times have you been told you should do some particular thing in your walk with Christ? But has anyone ever taken the time to show you how? We often feel guilty when people tell us we should be walking closer with Jesus because we simply don't know what that looks like in a real and practical sense. In this book you'll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ. Rather than beat you over the head, this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all. Whether you've been following Christ all your life or you're just taking your first steps, **Here's How** will show you the path to true discipleship. **Second Spring** Sandhya Jane, 2015-01-11

This is Avantika's heartfelt journey through love and life. As a smart, successful, thirty-eight year old single mother, Avantika seemingly has it all: a great career as a seasoned banking professional, respect and admiration from her peers as an able leader, fulfillment as a mother, and so many other things besides. What is it then that drives her towards Rohan, a man six years her junior? He's a man who ideally would not occupy much room in Avantika's otherwise sorted mind space. She has told herself she has no time for love. Then why does she make the choices she makes? Is it the sameness and banality of everyday existence? Is it the emotional vacuum? A need to relive life? A feeling that life as she is truly lived and felt is passing her by? However, as she struggles with her feelings, Avantika and Rohan part ways only to meet again. To what end? Why does Rohan want her back and why now? So many questions. Very few answers. Avantika's journey is as spiritual as it is emotional. Can love give second chances? Join Avantika in the twists and turns of her story through her ponderings over the mysteries and vagaries of the word love, the complexities of human relationships, and

the reassessment of all the values she has held dear
