## **Love Without Pride:**

*Love Without Reason* Alison Fraser, 2012-07-16 Little Consequences An illegitimate baby was fodder for the local gossips especially when the identity of the baby's father was uncertain But Riona knew that Cameron Adams the wealthy American who owned the farm she managed in Scotland was her son's father He was also the man who'd left her without a word When Cam returned and took one look at the five month old baby in her arms Riona's deepest fear became a reality Cam gave her a choice a marriage of convenience to legitimize their son or a custody battle that Riona knew only Cam could win **Love**

**Edinburgh Magazine**, 1826 **Salvaging Wesley's Agenda** Kevin Twain Lowery, 2008-03-15 Kevin Twain Lowery believes that two of John Wesley's most distinctive doctrines his doctrines of assurance and Christian perfection have not been sufficiently developed Rather these doctrines have either been distorted or neglected Lowery suggests that since Wesleyan ethics is centered on these two doctrines they need to be recast in a schema that emphasizes the cognitive aspects

of religious knowledge and moral development Salvaging Wesley s Agenda constructs such a new framework in three stages First Lowery explores Wesley s reliance upon Lockean empiricism He contends that Wesleyan epistemology should remain more closely tied to empirical knowledge and should distance itself from mystical and intuitionist models like Wesley s own spiritual sense analogy Second examining the way that Wesley appropriates Jonathan Edwards s view of the religious affections Lowery shows that Wesleyan ethics should not regard emotions as something to be passively experienced Rather emotions have cognitive content that allows them to be shaped Third Lowery completes the new framework by suggesting ways to revise and expand Wesley s own conceptual scheme These suggestions allow more of Wesley s concerns to be incorporated into the new schema without sacrificing his core commitments The final chapter sketches the doctrines of assurance and perfection in the new framework Assurance is based on religious faith and on self knowledge both empirical and psychological and perfection is understood in a more teleological context The result is a version of Wesleyan ethics more faithful to Wesley s own thought and able to withstand the scrutiny of higher intellectual standards The Principles of the Moral Empire Kōjirō Sugimori,1917 **Down Life'S Trail** D. Russell Walker,2015-02-21 For more years than most of todays population could possibly recall I had been writing poems about my family my own true adventure stories and just about anything of interest to me which has been just about anything I had catalogued shelved boxed and stored material throughout the years all the while that I had been experiencing the many facets of my more varied than some life From the time that I was a little farm kid the workings of nature and its wild faces had held intrigue to my mind Consequently by the time that I became old and bold enough to begin my own quest of adventure I just plainly let it happen Any opportunity to explore life and of things not yet known to me became open season for my whims In those early years I had managed to scribble down numerous discoveries that evolved as I waded through lifes happenings Eventually I had accumulated many written utterances and at first kept them in piles and eventually files Through the urgings of family and friends it has come to the point of sharing my writings of adventurous ramblings with others But where should I start The grab bag of writings that I have dealt from for this first widely published volume of mine which I had decided to name Down Lifes Trail for in many ways it does reflect selections written by myself along the bumpy road of life At the age of twenty two I had started out on my own after schooling for the profession as a photographer This required traveling many miles first within Maine then to other locations across the country and involving aerial photos along with all others I had recorded and kept records of many of the special locations that I had flown over or photographed both in writings and photos Now has come the time for me to pursue the publishing of some of my collections I had promised to my local audience that had been reading my work over the years that I would indeed take a shot at publishing a book of poetry My decision right or wrong is now to begin my offerings with this aptly named volume of Down Lifes Trail for the following has been derived from short story poems written as I was tripping along lifes trail Hopefully you will read and enjoy the enclosed pages that have been randomly selected from the far
