The Gay Deceivers; Or, More Laugh Than Love George Colman (the Younger),1808 *Six thousand illustrations of*

moral and religious truths Cyclopaedia, John Bate, 1888 Love Remains Jeff Hood, 2016-12-06 Love Remains is a collection of Dr Hood's prophetic writings from 2014-2015 *Volume 17: Kierkegaard's Pseudonyms* Katalin Nun, Jon Stewart, 2016-12-05 One of the elements that many readers admire in Kierkegaard's skill as a writer is his ability to create different voices and perspectives in his works. Instead of unilaterally presenting clear-cut doctrines and theses, he confronts the reader with a range of personalities and figures who all espouse different views. One important aspect of this play of perspectives is Kierkegaard's controversial use of pseudonyms. The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard's writing. The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works. The hope is that by taking seriously each of these figures as individuals, we will be able to gain new insights into the texts which they are ostensibly responsible for.

The Violence of Being Jeff Hood, 2017-03-01 In the midst of the violence of being, Jeff Hood survived 2016. This is a collection of writings to illustrate how.

The Prudence of Love Eric J. Silverman, 2010-01-01 The Prudence of Love focuses upon the intersection of philosophical, theological, and psychological issues related to love. Eric Silverman defends an account of love derived from the views of Thomas Aquinas and argues that love provides numerous psychological and relational benefits that increase the lover's happiness. Furthermore, he argues that love is beneficial according to all major contemporary accounts of happiness.

Kierkegaard's Writings Søren Kierkegaard, 1978

Either/Or, Part I Søren Kierkegaard, 2013-04-21 Søren Kierkegaard, the nineteenth-century Danish philosopher rediscovered in the twentieth century, is a major influence in contemporary philosophy, religion, and literature. He regarded *Either/Or* as the beginning of his authorship, although he had published two earlier works on Hans Christian Andersen and irony. The pseudonymous volumes of *Either/Or* are the writings of a young man, I, and of Judge William II. The ironical young man's papers include a collection of sardonic aphorisms, essays on Mozart, modern drama, and boredom, and *The Seducer's Diary*. The seeming miscellany is a reflective presentation of aspects of the either/or, the esthetic view of life. Part II is an older friend's or the ethical life of integrated authentic personhood, elaborated in discussions of personal becoming and of marriage. The resolution of the either/or is left to the reader, for there is no Part III until the appearance of *Stages on Life's Way*. The poetic, reflective creations of a master stylist and imaginative impersonator, the two men write in distinctive ways appropriate to their respective positions.

Deceivers and False Prophets Among Us Todd Tomasella, 2008-07 Are there false, fruitless, and even deceptive predators in the pulpits of the modern church? If so, are these deceivers leading multitudes to the worship of false gods through their damnable heresies? Are seeker-friendly churches creating a new class of Christians who have no concept of authentic Biblical Christianity? Are there leaders who are building their own kingdoms in lieu of God's and doing so on your dime? Are we hearing the full counsel of the LORD from those in leadership, or the psychology and programs of mere men? Are beguiling emissaries in our midst drawing believers away from pure devotion and intimacy with Jesus Christ? Do

these things exist within your local fellowship Are you truly being instructed in the right ways of the LORD Explore the answers to these and many more questions in this bold insightful and resourceful look at the church world today **WHAT YOU WILL GAIN FROM READING THIS BOOK** What specific erroneous teachings are circulating in the church world and how to identify and expose them How to discern the genuine leaders who truly follow the Word and Spirit of God from the false and fruitless who are using God s money to build their own kingdoms How to please the LORD by positioning and establishing His written revelation as final authority in your personal life How to discern and cease wasting your brief existence on this earth supporting wolves in sheep s clothing How to serve God with a loving and concerned heart from the foundation of divine immutable truth Todd has addressed the number one issue of today s Christian culture A subtle enemy has been invading our Christian churches and lulling Christians to sleep This book is a dynamic tool for the discerning Christian who wants to be an effective servant of the LORD Dan White

Kierkegaard and Philosophical Eros Ulrika Carlsson,2020-12-10 In a bold new argument Ulrika Carlsson grasps hold of the figure of Eros that haunts S ren

Kierkegaard's *The Concept of Irony* and for the first time uses it as key to interpret that text and his second book *Either/Or*. According to Carlsson, Kierkegaard adopts Plato's idea of Eros as the fundamental force that drives humans in all their pursuits. For him, every existential stance, every way of living and relating to the outside world is at heart a way of loving. By intensely examining Kierkegaard's erotic language, she also challenges the theory that the philosopher's first two books have little common ground and reveals that they are in fact intimately connected by the central and explicit topic of love. In this text, suitable for both students and the Kierkegaard specialist, Carlsson claims that despite long-held beliefs about the disparity of his early work, his first two books both relate to love and Part I of *Either/Or* should be treated as the sequel to *The Concept of Irony*.
