*The Loving Dead* Amelia Beamer, 2010-07-01 Kate and Michael are roommates living in the Oakland hills working at the same Trader Joes supermarket A night of drunken revelry changes their lives forever but not in the way that anyone would expect A slow spreading plague of zombie ism breaks out at their house party spreading amongst their circle of friends and simultaneously through the Bay Area This zombie plague an STD of sorts is spread through sex and kissing turning its victims into mindless horny voracious killers Thrust into extremes by this slow motion tragedy Kate and Michael are forced to confront the choices they ve made in their lives and their fears of commitment while trying to stay alive and reunite in the one place in the Bay Area that s likely to be safe and secure from the zombie hoards Alcatraz **Night of the Loving Dead** Casey Daniels, 2009-01-01 Pepper Martin a heiress turned cemetery tour guide who can communicate with ghosts finds her business trip to Chicago taking an otherworldly turn when the specter of Madeline a young woman in a lab coat needs her help in warning Dr Dan Callahan that his life is in danger Original **The Loving Dead** Destini Baccus, 2022-07-26 Years ago Drake had been terrified and felt pity for the zombies he came across thinking they were nothing but glutinous husks But he was wrong zombies aren t mindless walking drones whose only purpose in life is to feast on the living The love he feels for his crush in his current zombified state is more than enough evidence for Drake to prove otherwise This year he is going to win the heart of his precious Abbie no matter how many bullet wounds or lost limbs he receives in the process all before Christmas Day Zombies are mindless empty husks that is a previously known and confidential fact that has been shattered over the last year Recently a rather persistent zombie has left her gifts food hygiene supplies clothes and more But she will never fall for the zombie even if he does love her he is still a disgusting rotting corpse who at the end of the day will still crave for her flesh So there s only one thing that Abbie can really do in this situation either smash his brains open or fill his head with lead for her own protection Will Drake win over Abbie s heart Will Abbie come to accept Drake s love and accept it with open arms Is a relationship between the pair feasible in the first place Love Letters to a Dead Woman Henry Devenish Harben, 1923 **People Love Dead Jews: Reports from a Haunted Present** Dara Horn, 2021-09-07 Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal Chicago Public Library Publishers Weekly and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living Renowned and beloved as a prizewinning novelist Dara Horn has also been publishing penetrating essays since she was a teenager Often asked by major publications to write on subjects related to Jewish culture and increasingly in response to a recent wave of deadly antisemitic attacks Horn was troubled to realize what all of these assignments had in common she was being asked to write about dead Jews never about living ones In these essays Horn reflects on subjects as far flung as the international veneration of Anne Frank the mythology that Jewish family names were changed at Ellis Island the

blockbuster traveling exhibition Auschwitz the marketing of the Jewish history of Harbin China and the little known life of the righteous Gentile Varian Fry Throughout she challenges us to confront the reasons why there might be so much fascination with Jewish deaths and so little respect for Jewish lives unfolding in the present Horn draws upon her travels her research and also her own family life trying to explain Shakespeare s Shylock to a curious ten year old her anger when swastikas are drawn on desks in her children s school the profound perspective offered by traditional religious practice and study to assert the vitality complexity and depth of Jewish life against an antisemitism that far from being disarmed by the mantra of Never forget is on the rise As Horn explores the not so shocking attacks on the American Jewish community in recent years she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity Now including a reading group guide
