Loving Promises Especially For You:

Loving Promises Helen Steiner Rice, 1977 *Loving Promises* Richard Matzkin, 2016-07-13 In this unique inquiry into the deepest incarnation of love author Richard Matzkin has looked to his extraordinary three decade long marriage to Alice as a living laboratory to research the elements that comprise a truly loving magnificent partnership He has discovered 39 Loving promises statements of intention you pledge to yourself not to your partner that are the behavioral components of a deep abiding love These Promises are a profound path to transform your relationship into a magnificent one Immensely practical I cannot imagine a book that holds more potential to improve relationships Just reflect on one of these promises a day and the sky is the limit Stephen G Post PhD President Unlimited Love Institute author WHY GOOD THINGS HAPPEN TO GOOD PEOPLE Keywords Love Relationships Marriage Friendship Partnership Alice Richard Transform Love's Promises Martha M. Ertman, 2016-05-24 Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows or even opposites In *Love's Promises* however law professor Martha Ertman shows that far from cold and calculating contracts shape and sustain families Blending memoir and law Ertman delves into the legal cases anecdotes and history of family law to show that love comes in different packages each shaped by different contracts and mini contracts she calls deals Family law should and often does recognize that variety because legal rules like relationships aren't one size fits all The most common form of family which Ertman calls Plan A come into being through different kinds of agreements than the more uncommon families that she dubs Plan B Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition just different After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child Ertman shows that all kinds of people straight and gay married and single related by adoption or by genetics use contracts to shape their relationships As couples navigate marriage reproductive technologies adoption and cohabitation they encounter contracts Sometimes hidden and other times openly acknowledged these contracts ensure that the people they think of as family are legally recognized as family in the eyes of the law Family exchanges can be substantial like vows of fidelity or small like I cook and you clean But regardless of scope the agreements shape the emotional social and financial terrain of family relationships Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them Both insightful and paradigm shifting *Love's Promises* lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives **Loving Promises Especially for You** Helen Steiner Rice, 1975 **The Healing Desert** Mona Hadeed, 2013-10 About the Book *The Healing Desert* In the Sands of Time As a cancer survivor I can tell you that I would not be where I am today without my deep faith in the power of the almighty God Along with my personal story of healing and spiritual development I have tried to put my feelings into poems and I pray that you will be able to capture the

A Wise Woman: A Wise Woman Builds Her House By a FOOL Who First Built on Sinking Sand Erin Thiele, 2025-07-04 Is your life built on the Rock or on Sinking Sand Since founding Restore Ministries International an online ministry for women Erin Thiele has touched the hearts of thousands of women around the world Her love for the Lord and her dedication to follow the uncompromised Word of God is evident to all who have read her books have met her or have known her personally Where have you built your life Jesus told us that only the lives built on Him the Rock will stand when the rains come not if they come in the form of a sickness or death in your family financial troubles or your husband leaving you It is our hope that you through reading this book will choose to put away the ways of the world and come to know the Lord in a more intimate way by seeking and trusting Him alone in every aspect of your life Where have you built your life Before rebuilding you must have good blueprints Your blueprints must be His Word which you will find in this book always read the Scriptures never skip them Next you must find the Cornerstone that everything will be built on Our Cornerstone is taking Jesus as your Lord not just your Savior then to go beyond joy as you become His beautiful bride With a renewed mind the Lord's blueprint and Him by your side you will then be able to rebuild your life instead of foolishly building it on sinking sand Those of you who are sitting amidst rubble because your house has fallen through infidelity or divorce really have the advantage You are motivated to begin to rebuild your life This is where I was when I first began writing the book for women It was painful for me but it was worth every tear I ever cried A Wise Woman workbook so much help and hope Michelle in Wisconsin I found this book thoroughly amazing because I finally got to see the mistakes I was making This book is a must for every woman after the Restore Your Marriage book Praise God I am now restored AFTER our divorce Hilary in South Africa I recommend this book to anyone who is married or who ever wants to be married It helped me learn how to be a godly wife So many of the principles can be applied to all of our relationships not just our marriage The biblical principles in it were new to me because I had been so diluted by the ways of the world Stephanie in Kansas
