

The background of the book cover is a photograph of a person with dark hair, wearing a long white dress, standing on a dark, craggy rock that juts out into a calm blue ocean. The person is looking out towards the horizon. The sky above is a deep blue with some light, wispy clouds. The overall mood is serene and contemplative.

Davis,2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life

God in His Own Image Syd Brestel,2019-05-07 Someone once noted that God made us in His image and ever since we have tried to do God a favor by making Him in our image It s easy to speak to others about the Jesus who cared for the poor healed the sick and preached love and justice for the least of these But what about the God who tells the Israelites to wage war and kill entire people groups Or threatens exile and then delivers Or sends people to hell Can these really be the same God The simple answer is yes God in His Own Image takes you on a journey through the Bible exploring God s true nature You ll study instances of great mercy and great severity and by the end you ll begin to see why both God s compassion and his wrath are necessary important and even beautiful Get to know the God who is both Lion and Lamb both Judge and Father both kind and severe and perfect in every way
