Politics, Pope Paul VI declared, is the highest form of charity. And we can add that charity is the highest form of political sanity as well. Indeed, real politics takes action and contemplation. All our crises are rooted in our spiritual crisis: first, for our sanity and survival, God is needed; for our sanity and survival, the politics of the earth should match the politics of the kingdom of God, as this book explains.

Honoring the Medicine Kenneth S. Cohen, 2018-12-04 For thousands of years, Native medicine was the only medicine on the North American continent. Caritas Coaching Sara Horton-Deutsch, Jan Anderson, 2018-03-15 Historically, nurses have been the source of heart and healing in the healthcare system. But today's care providers have little opportunity to make sense of their own experiences and let alone be fully present for others. Nurses and other care providers are often ill-prepared for the heavy toll of their day-to-day workload and find themselves at a crossroads, accepting things the way they are or searching for a different way. Through stories of caring moments, transpersonal journeys, and ongoing evolution, *Caritas Coaching* provides nurses and other caregivers a deep, intimate look at how to integrate Caring Science into their practice. Caring Science offers a scientific and philosophical context to explore, describe, and research human healing, ultimately providing a path for bringing care back into healthcare. By integrating Caring Science into their practice, nurses can balance information and technology with the human side of healthcare.
