Amor Mundi and Overcoming Modern World Alienation Justin Pack,2019-10-17 Love in many premodern cultures extended to and permeated the world or even the cosmos but love in contemporary consumerist society tends to be sexualized romanticized and individualized As a result ancient visions of ethical love are difficult for moderns to comprehend especially those rooted in premodern Western thought or Native American thinkers that describe a love of the natural world that would help us live more responsibly on the Earth This volume retrieves the significant narratives of love of the world and the concomitant ethical ramifications of those visions and argues that our age of science and technology has destroyed the ancient living cosmos of previous visions and replaced it with a mechanical universe This shift has resulted in various forms of destruction diminishment and forgetfulness Overcoming modern world alienation requires recovering a sense of what it means to love the world and changing our practices to reflect our interconnection with it and our interdependency on it

CHOOSING TO LOVE THE WORLD (EasyRead Large Bold Edition) , Love and the World Robert Sardello,2001-04 From the translator s introduction In picking up this book you are about to embark on a fascinating journey It is a journey to places where according to the author many of us have already been but about which we have forgotten It is also a journey within into that psychological space where our ideas and beliefs about God spirituality and religion reside During both journeys we are likely to encounter wonder and recognition skepticism and acceptance rejection and admiration confusion and long sought understanding For some this journey will be the start of a much larger one for some it is but one more leg of a journey undertaken earlier in any case The Rose of the World is not a final destination Completed in 1959 hidden from the Soviet secret police for twenty years The Rose of the World was first made public through excerpts in the magazine Novy Mir in 1989 The Rose of the World is a unique and poetic cosmological treatise passionately written out of personal spiritual experience It offers a prophetic call for the spiritual reunification of all people and an open and harmonious relationship

among the great world religions For Daniel Andreev The Rose of the world is a spiritual flower whose roots are in heaven each petal is a unique image of the great world religions and cultures and the whole flower is their joint co creation with God Lindisfarne Books is proud to publish the first English translation of this masterpiece of contemporary Russian spiritual literature a work that belongs to Russian religious thought in the tradition of Vladimir Soloviev and to the West in the tradition of Dante and Blake truly a work for the twenty first century *Loving the Addict* Raven Storm,2012-10-09 Loving The Addict is based on a true story This story has everything from love lust hate dominance obsession sex police chases drug lords violence abuse deceit betrayal and most of all survival Know one understood the power that Jake controlled over my heart A Spell some would say that could not be broken An addiction I would say In the beginning the motivation behind writing the book Loving The Addict was a jotting down in a journal as self therapy to cope with what happened to me and was used to help me deal with the abuse that had occurred in my life Loving the Addict was an incredible read from beginning to end not just because it is a page turner but because it is a true story about intense compelling and emotional subject matter that morphs into a honest insight into survival and ultimately personal redemption When I read the book I couldn t put it down The story of Jake and Brenda has so many layers that it keeps you constantly guessing what the highs and lows are going to bring The complexities of both characters and Brenda s personal points of view make for an amazing read but also a change of insight and perception of the core themes love addiction and domestic violence Natalie *God's Love Through You* Stonecroft Ministries,2014-09-01 Over his years of walking with Jesus John ambitious opinionated volatile came to identify himself simply as the disciple Jesus loved In 1 John one of his letters John presents Jesus Christ as the living expression of God s love the One who reveals to us the mind and heart of His Father The apostle tells us what a relationship with Jesus looks like and how it should transform our attitudes and behaviors This study guides you or you and your group through selected Bible passages presents straightforward explanations and applications and provides open ended discussion questions You will see yourself changed as you learn because to know Jesus is to know love and to know Jesus is to know God *Love, the Greatest Thing in the World + Natural Law in the Spiritual World* Henry Drummond,2019-06-03 Love the Greatest Thing in the World In his most famous work the author meditates upon what he considers the greatest thing in the world love In Natural Law in the Spiritual World author explores how the world of religion and spirituality relates to the physical world and argues that faith was by no means in conflict with science **A Hope-Filled Life** James R. Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a

practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope Speak with the Earth and It Will Teach You Daniel Cooperrider, 2022-11-30 I don't think it is enough appreciated how much an outdoor book the Bible is wrote Wendell Berry and author Daniel Cooperrider illustrates his point with beautiful narrative like a stroll through the woods Speak with the Earth analyzes the Bible's treatment of nature and intersperses this analysis with the author's own reflections on experiences in nature Organized in sections touching on the four elements the book engages with the multifaceted relationship between the Bible and nature through various media including art theology the natural sciences history and lived experience A timely work on the gift of the Earth that makes a strong case for environmental conservation as a cornerstone of religious life
