C. Robert Haywood

Ls Brand The Story Of A Texas Panhandle:

The LS Brand Dulcie Sullivan,1982 **The LS Brand** Dulcie Sullivan,2014-09-11 In the spring of 1881 W M D Lee and Lucien B Scott wealthy businessmen of Leavenworth Kansas purchased land in the upper Texas Panhandle to establish the Lee Scott Cattle Company Their range sprawled across four Texas counties and extended into eastern New Mexico About six months later fifty thousand head of mixed cattle branded LS grazed those thousands of acres of free grass This book is the story of Lee and Scott s LS Ranch from the tempestuous years of the open range to the era of bob wire It is also the story of the pioneer men and women whose efforts developed the LS into a cattle empire W M D and Lena Lee Lucien and Julia Scott Mister Mac and Miss Annie McAllister and Charles and Pauline Whitman Here are accounts of chuck wagons and wagon bosses prairie fires blizzards and bog holes ranch management problems and cowboys on strike lobo wolves and romance wild sprees in Tascosa and its Hogtown sector LS cowboys fighting against a gang of organized rustlers in a feud that ended in tragedy and those same cowboys on the long trails to Dodge City and Montana Drawing upon stories told to her by men and women who were with the LS during the 1880 s and later years Dulcie Sullivan presents her narrative in a clear straightforward but sympathetic manner that gives the reader a vivid sense of how life was really lived there in those times Especially telling is her occasional use of an almost poetic incident the steers bedding down around a campfire to listen to the chuck wagon cook play his fiddle or the suit of Spanish armor found in a spring or the hail battered trees attempting to renew themselves despite their grotesque shapes Fifty Years of Good Reading University of Texas Press,2000 50 year since founding the University of Texas they have witnessed major evolutions in the world of publishing *The Great Cowboy Strike* Mark Lause,2018-01-16 Although later made an icon of rugged individualism the American cowboy was a grossly exploited and underpaid seasonal worker who waged a series of militant strikes in the generally isolated and neglected corners of the Old West Mark Lause examines those neglected labour conflicts couching them in the context of the bitter and violent range wars that broke out periodically across the region and locating both among the political insurgencies endemic to the American West in the so called Gilded Age **The Cowboy Way** Paul H Carlson,2006-11-15 The lives of American cowboys have been both real and mythic This work explores cowboy music dress humour films and literature in sixteen essays and a bibliography These essays demonstrate that the American cowboy is a knight of the road who with a large hat tall boots and a big gun rode into legend and into the history books **The Kansas Beef Industry** Charles L. Wood,Joshua Specht,2021-10-08 This book relates the modern development of the Kansas beef cattle industry combining both the history of production including specific business problems and the significant work in upbreeding and an examination of the marketing aspects of the industry that became so important during the twentieth century Sharpest focus is on the period 1890 to 1940 after the Western beef industry had passed through the transition from using the expansive open range method of beef production to the more rational and organized methods of today Wood presents a detailed discussion of the history of

upbreeding He points out the little known fact that the fine blooded animals especially Herefords that moved out from the Midwest were probably more important in stocking the ranges of the Plains and the Southwest than the many thousands of Longhorns driven from Texas He emphasizes the interregional aspect of beef production and the unique role played by Kansas On the threshold of the Great Plains Kansas received cattle from both the Midwest and the Southwest for many years upbred cattle moving South and stocker cattle moving from the South or Southwest into Kansas for additional maturing before being shipped to the Midwest for fattening or for slaughter Wood also looks closely at the relationship of cattlemen to government and to big business railroads stockyards and packers He sees the cattlemen as agricultural producers and business managers rather than as romantic self reliant giants of the earth Taking issue with the popular myth that cattlemen were and are ruggedly individualistic and disdainful of outside help Wood discusses the cattlemen s repeated demands for aid especially during the 1930s Included in the book is the history of the Kansas Livestock Association which the author credits as being one of the most significant stock associations in the West during this century Wood sets the KLA s growth within the context of the larger organizational revolution in the nation s business world A concluding chapter surveys major developments after World War II including the development of feedlots and irrigation the new cross breeding decentralization of packers and the advent of trucking to replace railroads There has been scant information on these topics in the general literature of the Great Plains

The Beautiful Music All Around Us Stephen Wade, 2012-08-10 The Beautiful Music All Around Us presents the extraordinarily rich backstories of thirteen performances captured on Library of Congress field recordings between 1934 and 1942 in locations reaching from Southern Appalachia to the Mississippi Delta and the Great Plains Including the children s play song Shortenin Bread the fiddle tune Bonaparte s Retreat the blues Another Man Done Gone and the spiritual Ain t No Grave Can Hold My Body Down these performances were recorded in kitchens and churches on porches and in prisons in hotel rooms and school auditoriums Documented during the golden age of the Library of Congress recordings they capture not only the words and tunes of traditional songs but also the sounds of life in which the performances were embedded children laugh neighbors comment trucks pass by Musician and researcher Stephen Wade sought out the performers on these recordings their families fellow musicians and others who remembered them He reconstructs the sights and sounds of the recording sessions themselves and how the music worked in all their lives Some of these performers developed musical reputations beyond these field recordings but for many these tracks represent their only appearances on record prisoners at the Arkansas State Penitentiary jumping on the Library s recording machine in a rendering of Rock Island Line Ora Dell Graham being called away from the schoolyard to sing the jump rope rhyme Pullin the Skiff Luther Strong shaking off a hangover night in jail and borrowing a fiddle to rip into Glory in the Meetinghouse Alongside loving and expert profiles of these performers and their locales and communities Wade also untangles the histories of these iconic songs and tunes tracing them through slave songs and spirituals British and homegrown ballads fiddle

contests gospel quartets and labor laments By exploring how these singers and instrumentalists exerted their own creativity on inherited forms amplifying tradition s gifts Wade shows how a single artist can make a difference within a democracy Reflecting decades of research and detective work the profiles and abundant photos in *The Beautiful Music All Around Us* bring to life largely unheralded individuals domestics farm laborers state prisoners schoolchildren cowboys housewives and mothers loggers and miners whose music has become part of the wider American musical soundscape The hardcover edition also includes an accompanying CD that presents these thirteen performances songs and sounds of America in the 1930s and 40s

Texas Women on the Cattle Trails Sara R. Massey,2006 Tells the stories of sixteen women who drove cattle up the trail from Texas during the last half of the nineteenth century

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1971

XIT Michael M. Miller,2020-10-22 The Texas state constitution of 1876 set aside three million acres of public land in the Texas Panhandle in exchange for construction of the state s monumental red granite capitol in Austin That land became the XIT Ranch briefly one of the most productive cattle operations in the West The story behind the legendary XIT Ranch told in full in this book is a tale of Gilded Age business and politics at the very foundation of the American cattle industry The capitol construction project along with the acres that would become XIT went to an Illinois syndicate led by men influential in politics and business Unable to sell the land the Illinois group backed by British capital turned to cattle ranching to satisfy investors In tracing their efforts which expanded to include a satellite ranch in Montana historian Michael M Miller demythologizes the cattle business that flourished in the late nineteenth century American West paralleling the United States first industrial revolution The XIT Ranch came into being and succeeded Miller shows only because of the work of accountants lawyers and managers overseen by officers and a board of seasoned international capitalists In turn the ranch created wealth for some and promoted the expansion of railroads new towns farms and jobs Though it existed only from 1885 to 1912 from Texas to Montana the operation left a deep imprint on community culture and historical memory Describing the Texas capitol project in its full scope and gritty detail XIT cuts through the popular portrayal of great western ranches to reveal a more nuanced and far reaching reality in the business and politics of the beef industry at the close of America s Gilded Age

A Private in the Texas Rangers John Miller Morris,Abner Theophilus Miller,2001 Three diaries excerpted and annotated by Miller s great grandson John Miller Morris provide the grist of a remarkable story a tale of true crime and punishment set against the scenic backdrops of the Rolling Plains Panhandle and Old Greer empires

America, History and Life ,1984

Texas Labor History Bruce A. Glasrud,James C. Maroney,2013-04-21 Too often observers and writers of Texas history have accepted assumptions about labor movements in the state both organized and not that do not bear up under the light of careful scrutiny Offering a scholarly corrective to such misplaced suppositions the studies in *Texas Labor History* provide a helpful new source for scholars and teachers who wish to fill in some of the missing pieces Tackling a number of such presumptions that a viable labor movement never existed in

the Lone Star State that black brown and white laborers both male and female were unable to achieve even short term solidarity that labor unions in Texas were ineffective because of laborers inability to confront employers the editors and contributors to this volume lay the foundation for establishing the importance of labor to a fuller understanding of Texas history They show for example that despite differing working conditions and places in society many workers managed to unite sometimes in biracial efforts to overturn the top down strategy utilized by Texas employers Texas Labor History also facilitates an understanding of how the state s history relates to reflects and differs from national patterns and movements This groundbreaking collection of studies offers notable opportunities for new directions of inquiry and will benefit historians and students for years to come

Rosengren's Books Mary George,2015-01-01 Virtually every San Antonio citizen over a certain age with any interest in literature will have vivid memories of Rosengren s Books It was the absolute center of literary culture not only in San Antonio but in Texas for decades Indeed from the 1930s to the 1980s Rosengren s Books was considered to be the one of the finest bookstores between New York and San Francisco It was a mid continent haven for writers as diverse as Frost John Dos Pasos J Frank Dobie and Larry McMurtry Rosengren s Books An Oasis for Mind and Spirit is the story of a great American family of independent booksellers and the important literary institution they created Beginning as a rare book store in Chicago Frank and Florence Rosengren brought the store to San Antonio Texas in 1935 Located in various downtown locations it became most well known as the charming book shop behind the Alamo where it was visited by hundreds of thousands of tourists from around the world At the heart of the story is Florence Rosengren whom former San Antonio mayor Phil Hardberger calls the Sylvia Beach of South Texas and Texas Observer founding editor Ronnie Dugger described as the chief guardian of civilization from here to Mexico City

The Journal of Southern History Wendell Holmes Stephenson,1969 Includes section Book reviews

Trails South C. Robert Haywood,2006 History of the trails from Dodge City Kansas to points in Oklahoma and Texas used primarily for trade from 1880 through the turn of the century

The Southwestern Historical Quarterly ,1972

Inside Texas Cynthia A. Brandimarte,2013-05-31 Inside Texas Culture Identity and Houses 1878 1920 is a 464 page book with 296 photos that tests and rejects the notion that Texas homes like all things Texan were unique and different Over the 40 year time span covered by the book decorating ideas nationally and in Texas went from the era of Victorianism with all that stuff to the spare clean lines of the arts and crafts movement By 1920 like Americans across the country many Texans especially the wealthier were taking their decorating ideas from the new professionals architects and designers and their homes reflected less their own identity than the taste and eye of the decorator In seven years of research Brandimarte traveled the state collecting photographs of interiors of Texas homes rare in comparison to exterior views The images reprinted here are arranged neither in chronological order nor according to decorating style but by identities occupation family ethnicity social group region culture and refinement class and style Brief biographical information about the homeowners is incorporated into the text Inside Texas is about people and

houses It is social history a significant contribution to scholarship an invaluable resource for preservationist docents
architects and designers as well as a book to be treasured by anyone who loves old houses **The Publishers' Trade List**
Annual ,1987 **Indian Book Reporter** ,1969
