Library of Congress

Lucadia Pease The Governor Letters 18501857:

Lucadia Pease & the Governor Elizabeth Kemp,1974 *Remarkable Plants of Texas* Matt Warnock Turner,2010-01-01

No single existing publication includes the kind of information featured in this book a natural history of the flora of the Lone Star State A Michael Powell Professor of Biology Emeritus and Director of the Herbarium Sul Ross State University With some 6 000 species of plants Texas has extraordinary botanical wealth and diversity Learning to identify plants is the first step in understanding their vital role in nature and many field guides have been published for that purpose But to fully appreciate how Texas s native plants have sustained people and animals from prehistoric times to the present you need *Remarkable Plants of Texas* In this intriguing book Matt Warnock Turner explores the little known facts be they archaeological historical material medicinal culinary or cultural behind our familiar botanical landscape In sixty five entries that cover over eighty of our most common native plants from trees shrubs and wildflowers to grasses cacti vines and aquatics he traces our vast array of connections with plants Turner looks at how people have used plants for food shelter medicine and economic subsistence how plants have figured in the historical record and in Texas folklore how plants nourish wildlife and how some plants have unusual ecological or biological characteristics Illustrated with over one hundred color photos and organized for easy reference *Remarkable Plants of Texas* can function as a guide to individual species as well as an enjoyable natural history of our most fascinating native plants

Civil War High Commands John Eicher,David Eicher,2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies regular provisional volunteers and militia and admirals and commodores of the two navies *Civil War High Commands* will become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders

Slavery in the City Clifton Ellis,Rebecca Ginsburg,2017-07-24 Countering the

widespread misconception that slavery existed only on plantations and that urban areas were immune from its impacts Slavery in the City is the first volume to deal exclusively with the impact of North American slavery on urban design and city life during the antebellum period This groundbreaking collection of essays brings together studies from diverse disciplines including architectural history historical archaeology geography and American studies The contributors analyze urban sites and landscapes that are likewise varied from the back lots of nineteenth century Charleston townhouses to movements of enslaved workers through the streets of a small Tennessee town These essays not only highlight the diversity of the slave experience in the antebellum city and town but also clearly articulate the common experience of conflict inherent in relationships based on power resistance and adaptation Slavery in the City makes significant contributions to our understanding of American slavery and offers an essential guide to any study of slavery and the built environment **True**

Women and Westward Expansion Adrienne Caughfield, 2005 Expansion was the fever of the early nineteenth century and women burned with it as surely as men although in a different way Subscribing to the cult of true womanhood which valued domesticity piety and similar feminine virtues women championed expansion for the cause of civilization even while largely avoiding the masculine world of politics Adrienne Caughfield mines the diaries and letters of some ninety Texas women to uncover the ideas and enthusiasms they brought to the Western frontier Although there were a few notable exceptions most of them drew on their domestic skills and values to establish not only civilization but their own security Caughfield sheds light on women's activism the flip side of domesticity attitudes toward race and civilization the tie between a vision of a unified continent and a cultivated wilderness and republican values She offers a new understanding of not only gender roles in the West but also the impulse for expansionism itself In Texas Caughfield demonstrates women never stopped arriving with more fuel for the flames of expansionism as their families tried to find a place to settle down some place with a little more room where national destiny and personal dreams merged into a glorious whole In doing so Texas women expanded not only American borders but their own as well

To Live and Die in Dixie David Zimring, 2014-12-31 According to the 1860 census nearly 350 000 native northerners resided in a southern state by the time of the Civil War Although northern in birth and upbringing many of these men and women identified with their adopted section once they moved south In this innovative study David Ross Zimring examines what motivated these Americans to change sections support or not the Confederate cause and in many cases rise to considerable influence in their new homeland By analyzing the lives of northern emigrants in the South Zimring deepens our understanding of the nature of sectional identity as well as the strength of Confederate nationalism Focusing on a representative sample of emigrants Zimring identifies two subgroups adoptive southerners individuals born and raised in a state above the Mason Dixon line but who but did not necessarily join the Confederacy after they moved south and Northern Confederates emigrants who sided with the Confederacy during the Civil War After analyzing statistical data on states of origin age education decade of migration and most importantly the reasons why these individuals

embarked for the South in the first place Zimring goes on to explore the prewar lives of adoptive southerners the adaptations they made with regard to slavery and the factors that influenced their allegiances during the secession crisis He also analyzes their contributions to the Confederate military and home front the emergence of their Confederate identities and nationalism their experiences as prisoners of war in the North and the reactions they elicited from native southerners In tracing these journeys from native northerner to Confederate veteran this book reveals not only the complex transformations of adoptive southerners but also the flexibility of sectional and national identity before the war and the loss of that flexibility in its aftermath To Live and Die in Dixie is a thought provoking work that provides a novel perspective on the revolutionary changes the Civil War unleashed on American society *Texas Women Writers* Sylvia Ann Grider, Lou Halsell

Rodenberger, 1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists Inside Texas Cynthia A. Brandimarte, 2013-05-31 Inside Texas Culture Identity and Houses 1878 1920 is a 464 page book with 296 photos that tests and rejects the notion that Texas homes like all things Texan were unique and different Over the 40 year time span covered by the book decorating ideas nationally and in Texas went from the era of Victorianism with all that stuff to the spare clean lines of the arts and crafts movement By 1920 like Americans across the country many Texans especially the wealthier were taking their decorating ideas from the new professionals architects and designers and their homes reflected less their own identity than the taste and eye of the decorator In seven years of research Brandimarte traveled the state collecting photographs of interiors of Texas homes rare in comparison to exterior views The images reprinted here are arranged neither in chronological order nor according to decorating style but by identities occupation family ethnicity social group region culture and refinement class and style Brief biographical information about the homeowners is incorporated into the text Inside Texas is about people and houses It is social history a significant contribution to scholarship an invaluable resource for preservationist docents architects and designers as well as a book to be treasured by anyone who loves old houses *Calico Chronicle* Betty J. Mills, 1985 Calico Chronicle is the source book for teachers students historians customers re enactors of history buffs searching for custom history of the Texas frontier and the American West an area which has had scarce priceless pieces of the past found in excerpts from letters diaries oral histories historic journals and even police blotters to compile and account that reveals much about the lifestyles of frontier women

First Ladies of Texas Mary D. Farrell, Elizabeth Silverthorne, 1976 The Peripatetic Wife The Conqueress of the Conqueror To Forget is Guilt **Letters by Lamplight** Lois E. Myers, 1998 are made up of myriad ordinary lives Janet Neugebauer Texas Tech University Choice *Texas Library Journal*, 1974 Subject Catalog, 1975 Library of Congress, 1975 *Views of Texas, 1852-1856* Sarah Ann Lillie Hardinge, Amon Carter Museum of Western Art, 1988 Journal entries and watercolor paintings Introduction **Biography Index** Bea Joseph, 1973 A cumulative index to biographical material in books and magazines **Subject Catalog** Library of Congress, **Peg Leg** David C. Humphrey, 2009 In spite of losing his right leg to

cannon fire in an early battle of the Mexican Texan War of 1835 36 Thomas Pegleg Ward remained in the Texian military until he lost his right arm to cannon fire as well He established himself as a remarkable political figure as he made significant contributions to the Texian cause through his administration of the General Land Office Pegleg was able to persevere and amass large holdings of land and distinguish himself in service to his country and his state Politically some despised him for his integrity and his loyalty to Sam Houston Others despised him because of his obstinence in doing things the way he thought best and having little flexibility to accommodate other s point of view He was proud and he was stubborn both good qualities for a Texan of that era *The Southwestern Historical Quarterly* ,1976 **Texas Libraries** ,1975 Directory and statistics called in 19 1954 Directory of Texas libraries issued as April number 19 19 in April 1954 as Special ed *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983
