ABOUT THE AUTHOR Lucian of Samosata was a rhetorician and satirist who wrote in the Greek language He is noted for his witty and scoffing nature Although he wrote solely in Greek mainly Attic Greek he was ethnically Syrian Lucian was also one of the earliest novelists in Western civilization In *A True Story* a fictional narrative work written in prose he parodied some fantastic tales told by Homer in the *Odyssey* and some feeble fantasies that were popular in his time He anticipated modern fictional themes like voyages to the moon and Venus extraterrestrial life and wars between planets nearly two millennia before Jules Verne and H G Wells His novel is widely regarded as an early if not the earliest science fiction work

Lucian's True History Of Samosata Lucian, 2019-11-19 Lucian's *True History* is a satirical work that boldly defies the conventions of its time providing an early example of what can be deemed science fiction Written in the second century CE it narrates a fantastical voyage to the moon and beyond where Lucian encounters bizarre inhabitants and absurd scenarios that challenge the very fabric of reality and truth His witty prose and sharp humor reflect a sophisticated literary style that critiques both mythological narratives and the historical accounts of his contemporaries showcasing his prowess in blending irony and philosophy within an imaginative framework Born in Samosata Lucian was a gifted rhetorician and philosopher whose travels across the Roman Empire informed his perspectives on culture and society Educated in the rich traditions of Greek literature he was influenced by both classical authors and the emerging schools of thought that questioned the essence of reality This background enabled Lucian to craft a text that not only entertains but also stimulates critical thought inviting readers to reflect on the nature of truth and storytelling Lucian's *True History* is essential reading for anyone interested in the intersection of fantasy and reality as well as the evolution of satire in literature It serves as an entertaining yet incisive commentary on human nature and the absurdities of life making it a compelling choice for scholars students and casual readers alike

Lucian, the Syrian Satirist Henry William Lovett
