Revolutionary War Lives and Letters of Lucy and Henry Knox Phillip Hamilton, 2017-10-26 This collection of Lucy and Henry Knox's correspondence movingly reveals a marriage and a nation coming of age in the crucible of the Revolutionary War. Lorri Glover, author of *Eliza Lucas Pinckney*. In 1774 Boston bookseller Henry Knox married Lucy Waldo Flucker, the daughter of a prominent Tory family. Although Lucy's father was the third ranking colonial official in Massachusetts, the couple joined the American cause after the Battles of Lexington and Concord and fled British-occupied Boston. Knox became a soldier in the Continental Army where he served until the war's end as Washington's artillery commander. Their correspondence, one of the few collections of letters between revolutionary era spouses that spans the entire war, provides a remarkable window into the couple's marriage. Placed at the center of great events, struggling to cope with a momentous conflict and attempting to preserve their marriage and family, the Knoxes wrote to each other in a direct and accessible manner as they negotiated shifts in gender and power relations. Working together, Henry and Lucy maintained their household and protected their property, raised and educated their children, and emotionally adjusted to other dramatic changes within their family, including a total break between Lucy and her Tory family. Combining original epistles with Hamilton's introductory essays, *The Revolutionary War Lives and Letters of Lucy and Henry Knox* offers important insights into how this relatable and highly individual couple overcame the war's challenges. A fascinating and important addition to the literature of marriage and family life during the revolution. These unique letters, punctuated by excellent narrative interludes, provide a rich vein of information about the war. Edith B. Gelles, author of *Abigail and John: Portrait of a Marriage*. Lucy Maud Montgomery: Short Stories, 1905 to 1906 L. M. Montgomery, 2021-03-27 The stories are from 1899 to 1928 and there are certain threads that pass through all of them. There's the Christmassy stories making Christmas cheerful for someone who can't afford it, women haters or man haters who become reconciled to the opposite sex in time, old maids getting married, long lost loves that come back, orphans who find a family member after all, rich at times and all sorts of absolutely delicious things. Goodreads *In Search of Song: The Life and Times of Lucy Broadwood* Dorothy de Val, 2016-05-23 Born into the famous family of piano makers, Lucy Broadwood (1858-1929) became one of the chief collectors and scholars of the first English folk music revival in the late nineteenth and early twentieth centuries. Privately educated and trained as a classical musician and singer, she was inspired by her uncle to collect local song from her native Sussex. The desire to rescue folk song from an aging population led to the foundation of the Folk Song Society, of which she was a founder member. Mentor to younger collectors such as Percy Grainger but often at loggerheads with fellow collector Cecil Sharp and the young Ralph Vaughan Williams, she eventually ventured into Ireland and Scotland while remaining an eclectic contributor and editor of the Society's *Journal*, which became a flagship for scholarly publication of folksong. She also published arrangements of folk songs and her own compositions, which attracted the attention of singers such as Harry Plunket Greene. Using an array of primary sources, including the diaries Broadwood kept throughout her adult life, Dorothy de Val provides a lively biography which sheds new light on her

early years and chronicles her later busy social artistic and musical life while acknowledging the underlying vulnerability of single women at this time Her account reveals an intelligent generous though reserved woman who with the help of her friends emerged from the constraints of a Victorian upbringing to meet the challenges of the modern world *Colonial India in Children's Literature* Supriya Goswami,2012-07-26 Colonial India in Children s Literature is the first book length study to explore the intersections of children s literature and defining historical moments in colonial India Engaging with important theoretical and critical literature that deals with colonialism hegemony and marginalization in children s literature Goswami proposes that British Anglo Indian and Bengali children s literature respond to five key historical events the missionary debates preceding the Charter Act of 1813 the defeat of Tipu Sultan the Mutiny of 1857 the birth of Indian nationalism and the Swadeshi movement resulting from the Partition of Bengal in 1905 Through a study of works by Mary Sherwood 1775 1851 Barbara Hofland 1770 1844 Sara Jeanette Duncan 1861 1922 Rudyard Kipling 1865 1936 Upendrakishore Ray 1863 1915 and Sukumar Ray 1887 1923 Goswami examines how children s literature negotiates and represents these momentous historical forces that unsettled Britain s imperial ambitions in India Goswami argues that nineteenth century British and Anglo Indian children s texts reflect two distinct moods in Britain s colonial enterprise in India Sherwood and Hofland writing before 1857 use the tropes of conversion and captivity as a means of awakening children to the dangers of India whereas Duncan and Kipling shift the emphasis to martial prowess adaptability and empirical knowledge as defining qualities in British and Anglo Indian children Furthermore Goswami s analysis of early nineteenth century children s texts written by women authors redresses the preoccupation with male authors and boys adventure stories that have largely informed discussions of juvenility in the context of colonial India This groundbreaking book also seeks to open up the canon by examining early twentieth century Bengali children s texts that not only draw literary inspiration from nineteenth century British children s literature but whose themes are equally shaped by empire *The Remarkable & Very True Story of Lucy & Snowcap* H.
