examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism Hinduism Judaism Christianity Islam Zoroastrianism and the Native American traditions It also speculates upon the social psychic and spiritual nature of that being known to Christianity Judaism and Islam as the Antichrist presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror Finally in tracing the roots of Antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics As he says speaking of the angst that characterizes the modern world The specific medicine for the shock of despair is the deeper shock of meaning Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet

*And God Cried* Ralph Cole, 2011-07-07 Experience the ultimate clasp between good and evil as Christ and Satan return to earth in human form to determine the fate of mankind forever So it came to be that Christ and Satan forged a pact that would finally determine the fate of mankind and with it their own as well Their return to earth will lead each in separate directions in using their specific powers to be the victor Jesus will help to restore faith in a couple after a horrific encounter between their son and a mad man a man who persevered through the devastating events of his childhood and an old man suffering through the loss of his beloved wife Satan s path follows one of total destruction He creates horrific events that will inflict thousands with a disease not seen in hundreds of years destroys a national treasure cold bloodily murders a world leader and utilizes the existing forces of evil to spread the word that he is walking among us The story is a roller coaster ride of emotions At the end there will be only one standing and the world s fate lies in the balance The outcome will shock you and will change the future and destiny of mankind forever
