Cultural and Creative Mural Spaces Virginia Santamarina-Campos,Eva-María Martínez-Carazo,María de Miguel Molina,2021-02-15 This book puts into context the evolution of mural art in recent years particularly the case of the contemporary muralism in Uruguay While the focus of this volume revolves around Uruguay the editors demonstrate that circumstances found in Uruguay are also reflected widely in a large number of cases worldwide Mural art has evolved from an elite audience to a more popular objective At the same time it does not lose the necessity of high value artists that not only technically but also conceptually will be able to connect to the audience and provide a sense of identity and necessity of preservation of this art This leads to a down top approach where different actors take part in the process from the conceptualization to the conservation Moreover mural art has been studied as a driver of local economic development attracting visitors and tourists can access these open air museums easily This book is of interest to students and researchers working in fine art heritage and museum studies

Bulletin ,1892 *Metamorphism* Ákos Moravánszky,2017-11-20 Materiality is a recurring and central issue in architecture This book explains how materials are constructed how they become cultural substances Metamorphism investigates the complex relationship between natural materials and technology science and sensuality Gottfried Semper 1803 1879 made the notion of Stoffwechsel the key element of his theory With this concept he intended to explain how a structural form originally bound to a method of processing is transferred from one material to another liberated from its original function For the first time the book investigates the subject from a historic point of view whilst reflecting on current interdisciplinary research Examples from Aalto to Zumthor illustrate the specific

aspects of historic and contemporary material concepts Senate Documents USA. Congress.
