**Daimon** Georgette Gouveia,2019-11-30 He was a romantic and a realist a lover of strong women and beautiful men And though he was at one time the richest most powerful man in the world his most prized possession was a book Homer's The Iliad annotated by his tutor Aristotle Most of all he was as much a myth as a man and a mystery even to himself When Alexander the Great died in Babylon in 323 B C a month shy of his 33rd birthday and after conquering and reordering Persia he left a sprawling empire and a burning question What drove him Before Alexander culture flowed East to West After it would flow West to East and we are the heirs of the continuing tension between the two In this historical novel Alexander encounters the only two enemies he cannot defeat death and time Surrendering to both he considers a life that attempted to bridge seemingly irreconcilable opposites East and West Persians and Greeks a brutal father and a ruthless mother a wily wife and a male soulmate And above all a tempered mind and ungovernable passions **Ask** Kitty Stryker,2017-10-27 Have you ever heard the phrase It's easier to ask forgiveness than permission Violating consent isn't limited to sexual relationships and our discussions around consent shouldn't be either To resist rape culture we need a consent culture and one that is more than just reactionary Left confined to intimate spaces consent will atrophy as theory that is never put into practice The multi-layered power disparities of today's world require a response sensitive to a wide range of lived experiences In Ask Kitty Stryker assembles a retinue of writers journalists and activists to examine how a cultural politic centered on consent can empower us outside the bedroom whether it's at the doctor's office interacting with law enforcement or calling out financial abuse within radical communities More than a collection of essays Ask is a testimony and guide on the role that negated consent plays in our lives examining how we can take those first steps to reclaim it from institutionalized power **Gender**
