**I'M A LUCKY DOG!** Felito Feliz, 2023-07-14 LUCKY DOG is the true story of a friend's pet It is shared to warn children that some dogs acting friendly may be dangerous They should also know that most injured animals can be healed by veterinarians Some vets help all sorts of animals from dogs and cats to horses cows and pigs Children should know collars licenses and shots are needed to keep their pet animals safe and to help them be found if they get lost When a vet puts a chip with a phone number into a pet it is not big like a potato chip but as tiny as a grain of rice A radio scanner reads the information on it without hurting the animal Lucky's story is also to encourage owners of potentially dangerous animals to have insurance to pay for medical aid for victims if necessary      **Lucky Dog** Christie Shary, 2009-05-15 The humorous heart warming and adventurous true story of love friendship and survival as only an endearing little Mexico City street dog named Lucky could tell it A yellow mutt with more stamps in his passport than most Americans he's considered winner of the doggie lotto by all who meet him      **My Lucky Dog** Mellon Tytell, 2024-05-21 Hunter my majestic eighty six pound mutt was the love of my life for thirteen years I was addicted to looking at him every twitch of his ear was fascinating to me I've taken thousands of photographs of him dozens even in the same position He was my lucky dog I adopted Hunter when he was two He came with that name his former owner a fan of Hunter S Thompson I noticed Hunter's photo in the window of a pet store in Vermont and brought him home If I was the lucky break in his life he was the transforming experience in mine Before I was a little wild As a photographer I traveled around the world picking up and leaving on a dime Life was exciting photo shoots in Paris Haiti the Himalayas the Andes and even the Amazon Hunter tamed me I couldn't be away from him for more than five hours at a time I had no children of my own Hunter taught me about responsibility love and devotion in a way that was inaccessible to me with people Mellon      *Lucky Dogs* Jerry E. Strahan, 2016-09-21 When walking the French Quarter and watching a Lucky Dog salesman set up that colorful cart and call out to entice customers don't you wonder how such a business works As a knowing review in Rolling Stone stated People have always loved the cart and harbored a mysterious need to ride it Revelers have been known to climb on top of the rolling wienies screaming Yippee kaya as vendors stoically push them back to the barn at 4 a.m Since 1947 the red and yellow carts have trumpeted good fortune and sustenance Jerry E Strahan recounts the wild adventures of the Bourbon Street wienie salesmen but also takes readers well beyond New Orleans In fact he takes them halfway around the world where this unique pushcart business maneuvered its way through

the bureaucratic red tape of a communist country to become a licensed corporation in the People's Republic of China. In China, two points quickly became apparent to Strahan: First, 99 percent of the Chinese population had no idea what a Lucky Dog cart represented. One elderly passerby declared it to be a missile. Second, the success or failure of any joint venture in the Asian nation is directly proportional to the political clout of that company's local partner. Lucky Dogs also recounts how the business and its vendors survived Hurricane Katrina. Miraculously, it reopened only six months after the storm in a city where more than 80 percent of the landmass had been flooded and where less than 40 percent of the population had returned. To reestablish itself in what many described as Third World conditions, the company had to transform its operation. This work mixes business history, autobiography, survival story, and an insider's look at the bizarre lives of some of Bourbon Street's most quirky characters: the dauntless Lucky Dog vendors. Both humorous and tragic, though it may read like fiction, it is, for better or worse, all fact.

**Lucky Dog** Christie Shary, 2015-12-16 The humorous, heart-warming and adventurous true story of love, friendship, and survival as only an endearing little Mexico City street dog named Lucky could tell it. A yellow mutt with more stamps in his passport than most Americans, he's considered winner of the doggie lotto by all who meet him. *Lucky Dog Lessons* Brandon McMillan, 2016-10-04 The celebrity dog trainer and Emmy-winning star of the CBS show *Lucky Dog* shares his training system to transform any dog from spoiled purebred puppy to shelter-shocked rescue into a model companion in just seven days. Each week on *Lucky Dog*, Brandon McMillan rescues an untrained, unwanted, unadoptable shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems, ultimately becoming well-mannered pets and even service dogs. With his labor of love, complete McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with thousands of dogs of every breed and personality to help readers turn their own pets into well-trained Lucky Dog graduates. *Lucky Dog Lessons* begins with the basics: building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door-dashing, chewing, barking, and common mealtime misbehaviors. *Lucky Dog Lessons* includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillan believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. Create the happy pet family you want with *Lucky Dog Lessons*.
