Association, 1924 The Christianity Reader Mary Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents. As a world religion, Christianity has flourished because it is capable of taking on new forms in new contexts. To understand both the religion's history and its present state, Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church-related issues in The Christianity Reader. The most comprehensive anthology of Christian texts ever in English, this is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated, and translated primary texts along with supplemental analytical essays, the volume allows Christianity at long last to speak in its many voices. Focusing on Christianity as a religion, Gerhart and Udoh select texts that illuminate issues such as theology, mysticism, and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion. With nearly three hundred selections, the texts encompass the entire history of Christian writings, excluding the New Testament, from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta. Eight thematic sections cover biblical traditions and interpretations, early influences, nascent forms, patterns of worship, structures of community, philosophy, theology, and mysticism, twentieth-century issues and challenges, and the contemporary relationship between Christianity and other world religions. The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context. Providing a far richer selection than ever before available in a single volume, The Christianity Reader will be welcomed as both a classroom resource and a work of reference for decades to come.

Wisdom and the Grail Anne Marie D'Arcy, 2000 Whereas the anonymous author of the *Queste* who was deeply influenced by the monastic tradition of mystical theology conceived of the Holy Grail as a symbol of Divine Wisdom personified, Malory's concentration of the vessel was eucharistic and rooted in the lay devotion of later medieval England. Faced with the illuminative concept of the vessel that he found in his source, Malory chose to treat the symbol in terms which recall popular contemporary emblems of the eucharistic sacrifice. Malory's act of translation and adaptation necessitated the breaking of the vessel he found in the *Queste*. However, he created a symbol that corresponded in function to that of the *Queste* to direct the reader's thoughts towards complete union with God but was essentially different in conception. In the
