**Luke's Story** Tim F. LaHaye, Jerry B. Jenkins, 2009 Recounts the life story of the author of the Gospel of Luke from his life as a slave to his university studies as a medical student at Tarsus from his acquaintance with Saul Paul of Tarsus to his ultimate discipleship and decision to write the story of Christ

**Luke's Story** Tim LaHaye, Jerry B. Jenkins, 2009-02-19 Millions of readers made the Left Behind series bestsellers Now the third in the authors bestselling Jesus Chronicles is available in trade paperback This biblically inspired novel third in the bestselling Jesus Chronicles tells the story of Luke the Gospel writer whose belief was built on the power of faith alone Luke who hadn t met Jesus is skeptical of His miracles until events in his own life irreversibly change him Pledging himself to Christ he begins a Gospel based on the conversion stories of believers and interviews with those who knew Him best the disciples who spent three years with Jesus and most important His mother Mary The result would be a Scripture rich in the miraculous stories of the Lord s divinity intended to appeal to women nonbelievers and the disenfranchised and that would speak to the heart of Christians all over the world

**Luke's Portrait of Paul** John Clayton Lentz, 1993 The purpose of this book is to seek a fuller understanding of how the characterisation of Paul in Acts would have been perceived by those who first read or heard the Lucan narrative As the author makes clear the careful reader of Acts should be amazed at the way St Paul is portrayed therein Dr Lentz demonstrates through a careful examination of particular texts the great improbability that a Jew of strict Pharisaic background would have held let alone been proud of Roman citizenship and citizenship of the city of Tarsus By investigating the social and legal expectations of the first century the author shows that Paul is seen to be deferred to in matters of legal minutiae by those in positions of authority He is given high social status and abundant moral virtue in order to attract to Christianity the high ranking citizen who would recognise in Paul the classical cardinal virtues
