Luke The Historian In Recent Study:

Luke the Historian in Recent Study C. K. Barrett, 2009-05-22 The Lucan problem has all at once become a burning one says a famous German scholar Professor Ernst K Semann in a recent book Few English readers it is fair to say so much as know that there is a problem This problem involves not only renewed discussions of the life of Jesus but also questions about the apostolic Church its gospel and preaching its common life and ministry This lecture first offers a short account of some of the most important recent contributions to the understanding of Luke's work and then considers some of the problems afresh What made Luke a historian and led him alone so far as we know among his contemporaries to write the story of Christianity from the birth of Jesus to Paul's mission to Rome How was his work affected by the example of older historians What was his attitude to the theological problems of his day What did he set out to achieve in his two volumes What lessons may the twentieth century Church learn from his work These are among the questions raised by this lecture **Luke the Historian**

in Recent Study Charles Kingsley Barrett, 1962 Luke the Historian in Light of Research Archibald Thomas

Robertson, 2018-02-28 The work of the last fifteen years has created new interest in the writings of Luke The relation of Luke's Gospel to Mark's Gospel and the Logia of Jesus has sharply defined his own critical methods and processes The researches of Harnack Hobart and Ramsay have restored the credit of Luke with many critics who had been carried away by the criticism of Baur and who looked askance upon the value of Luke as the historian of early Christianity It has been like mining digging now here now there The items in Luke's books that were attacked have been taken up one by one The work has been slow and piecemeal of necessity But it is now possible to gather together into a fairly complete picture the results It is a positively amazing vindication of Luke The force of the argument is cumulative and tremendous One needs to have the patience to work through the details with candor and a willingness to see all the facts with no prejudice against Luke or against the supernatural origin of Christianity From the Preface *Luke the historian in recent study* Charles K.

Barrett, 1970 **LUKE THE HISTORIAN IN RECENT STUDY** C. K. Barrett, 1970 **Interpretation of Tongues and**

Prophecy in 1 Corinthians 12-14, with a Pentecostal Hermeneutics Jeon Ahn Yongnan, 2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions The author also applies a Pentecostal hermeneutical methodology to Paul's teaching on tongues and prophecy in 1 Corinthians 12-14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative Paul's texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community **What is Redaction Criticism?** Norman Perrin, 2002-07-11 For the

past several decades New Testament scholarship has been strongly influenced by a discipline that arose in post war Germany and is here called redaction criticism Professor Perrin defines redaction criticism as the discipline concerned with the theological motivation of an author as it is revealed in the collection arrangement editing and modification of traditional

material or the creation of new forms within the traditions of early Christianity With lively style and technical expertise he explores the origins the nature and the implications of this new approach to the Bible Laymen eager for a chance to look over the biblical scholar s shoulder as he goes about his work seminary and college students who want to see how modern scientific methods are utilized in the study of the Bible and pastors who want to keep up with what is going on in biblical studies will find this book of great interest A glossary and annotated bibliography enhance its value *The New Testament in Its Literary Environment* David Edward Aune,1988 A study of the relationship between the New Testament writings and other literature of late antiquity This comprehensive introduction identifies and describes the major literary genres and forms found in the New Testament and Early Christian non canonical literature Comparing them with those prevalent in Judaism and Hellenism it sheds light on the conventions that the New Testament writers chose to follow *James and Paul* V. George Shillington,2015-06-01 Recent interest in the person and work of James of Jerusalem and in the community he led has sometimes put the apostle Paul in a negative light a reversal of the more usual pattern in Protestantism Rather than exaggerating the opposition between these two figures V George Shillington seeks to understand them both without prejudice Examining what can be reconstructed of both men and their respective missions from our sources read critically Shillington concludes that the tension between those missions indicates a conflict between different politics of identity

The Boyhood Consciousness of Christ Patrick Joseph Temple,1922 **Rethinking the Atonement** David M. Moffitt,2022-11-15 Traditional views of the atonement tend to be reductive focusing solely on Jesus s death on the cross In his 2011 groundbreaking book *Atonement and the Logic of Resurrection in the Epistle to the Hebrews* David Moffitt challenged that paradigm showing how the atonement is a fuller process It involves not only Jesus s death but also his resurrection ascension offering and exaltation In the succeeding years Moffitt has continued to expand and clarify his thinking on this issue This book offers a more fulsome articulation of his work on the atonement that reflects his recent thinking on the topic Moffitt continues to challenge reductive views of the atonement primarily from the book of Hebrews but he engages other New Testament passages as well He offers fresh insights on sacrifice and atonement the importance of resurrection and ascension Jesus s role as priest and a new perspective on Hebrews This important book brings Moffitt s award winning and influential scholarship to a broader audience The book includes a foreword by N T Wright *Luke, the historian in recent study* Charles K. Barrett,1962 *The Cradle, the Cross, and the Crown* Andreas J. Köstenberger,L. Scott Kellum,Charles L. Quarles,2016-08-15 *The Cradle the Cross and the Crown* guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God s word of truth 2 Tim 2 15 It offers a thorough introduction to all twenty seven books of the New Testament and closely examines events such as Christ s incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in

the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture **Paul, His Letters, and Acts ()** Thomas E. Phillips,2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul s life and relationships in the Book of Acts and we also find an additional set of details about Paul s activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul *The Church Quarterly Review* ,1915 **Church Quarterly Review** ,1915

From Sabbath to Lord's Day D. A. Carson,1999-11-05 A series of authors assert the premise that Sunday is a new day of worship that was chosen to commemorate the unique salvation historical event of the death and resurrection of Christ rather than merely being another day for celebrating the Sabbath *Luke's Gospel* Jonathan Knight,2005-08-04 Luke s Gospel provides a comprehensive and schematic reading of Luke s Gospel one of the most important books detailing the life and works of Christ in six main parts Knight introduces the Gospel and the narrative theory on which the Gospel rests He offers a detailed chapter by chapter exposition of the Gospel and also alternative perspectives such as feminism and deconstruction He considers the principal motifs of the Gospel particularly the theme of the temple which has been previously overlooked in Luke scholarship arguing that Jesus pronounces the present temple forsaken by God to introduce himself as the cornerstone of the eschatological temple Finally he examines earlier readings of Luke s Gospel Jonathan Knight presents an accessible and jargon free introduction to the Gospel and makes a valuable addition to the New Testament Readings series **Establishment Violence in Philo and Luke** Torrey Seland,2021-08-30 This study tries to throw new light on both Philo of Alexandria and the scenarios involved in the violent death of Stephen and the attacks against Paul in Jerusalem as recorded in the Lukan Acts of the Apostles **Theology as History, History as Theology** Scott Shauf,2012-02-13 This monograph explores the theology of the Acts of the Apostles while taking seriously the status of the writing as ancient historiography What does it mean to speak of theology in a historiographical work How can this theology be apprehended What does this theology have to do with the overall character of the writing and with how the writing functioned for its original audience Acts 19 is both case study and source to generate the answers

This Captivating Realm of Kindle Books: A Thorough Guide Revealing the Pros of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and simplicity of access, have freed readers from the constraints of physical books.
