Osho,2023-08-11 It is one of the trade secrets of all the religions to propose propaganda that humanity has to be saved It is a very strange idea but it is so old that nobody seems to look into the implications Nobody asks why you are worried about saving humanity And you have been saving humanity for thousands of years but nothing seems to be saved In the first place does humanity need any saving To answer this question all the religions have created an absolutely fictitious idea of the original fall because unless there is a fall the question of saving does not arise And the religious conception of the original fall is just rubbish      **The Lunatic Muse** Joe Rosenblatt,2007      **The Lunatic Merciful person** Yu Qingmu,2019-12-02 The

Carroll,2015-03-08 This book contends that in Love's Labour's Lost Shakespeare sought to discover the ways in which the imagination uses and abuses language The author's critical reading shows that the characters are endowed with a wide variety of rhetorical disguises Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds In an elegant examination of theme and style Professor Carroll heightens the reader's awareness of Shakespeare's marvellously inventive use of language The author analyzes the different kinds of style the characters' attitudes toward language the play's theatrical modes the frequent metamorphoses and the debates The term debate justified by Shakespeare's use of the medieval conflictus relates to both theme and structure The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter where the playwright reasserts the nature and value of good art Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Samphire Lady Sybil Grant,1912 Columbia Alumni News ,1913 *Sketches in London* James Grant,1838 **Irene Liscomb** Mary Elizabeth Lamb,1908
