Lunchtime Lets Get Together:

Let's Get Together On Earth Before Taking Off On The Road To Heaven Al Hall, 2015-01-23 Many people on Earth look forward to their eventual time in Heaven They speak of Heaven as a lofty perfect place where they will be surrounded by love and humanity turned divine However these same people seem to shrink from human contact while on Earth They miss the opportunity to connect with their brethren looking to the sky as they walk the ground Poet Al Hall looks forward to Heaven but through his inspired words he hopes to reveal the interconnectedness of human life on this planet and how best to utilize our limited time here He encourages us to cherish togetherness during this short period of time on Earth before taking off on the road to Heaven It s time to slow down and take a look around preparing for Heaven but not living there already True nothing on Earth is perfect Politicians make vocal blunders Humans get irritated and angry at each other over nothing more than miscommunication or perhaps a wrong note in church choir It s time we stopped pulling each other down and lifted each other heavenward instead Enjoy worship laughter celebration and falling in love Heaven will one day be home but for now Hall encourages us to live imperfectly but with joy and forgiveness Fruits Lisa Thompson, 2019-06-21

Nutrients are essential components that are important in the body s functions and processes Each of these nutrients performs a particular work to promote good health Every day the body produces skin bones and muscles The body produces red blood cells that carry oxygen and important nutrients throughout the body it sends out nerve signals and formulates chemical messengers to and from the brain All these bodily processes require raw materials which turns into energy Do you wonder where your body gets all the energy from Do you wonder where your spirit gets all the energy from Food is the primary source of the body s energy The Word is the primary source of the spiritual energy Energy comes from the food people consume the water they drink and the air they breathe The love we have the peace we bring the joy within the kindness we give the patience we sustain the goodness we portray the gentleness we portray the faithfulness we stand on and the self control we adhere to are all necessary for our spiritual survival for the times we are living in Aside from that the body needs essential vitamins and minerals to function properly Carbohydrates is your love and joy the main source for the brain Fats often get a bad reputation but supports many body processes such as blood clotting building cells absorption of vitamins and minerals and the movement of the muscles This is your peace and patience Protein provides the building blocks of the body Each cell in the body contains protein and it s important for health growth and body maintenance This is your kindness and goodness Vitamins are crucial for warding off disease and not getting enough of them can cause a wide array of diseases and health problems Minerals aid in the functions of the body including metabolism staying properly hydrated and building strong teeth and bones This is your gentleness and faithfulness Water is important in the body It s considered a vital nutrient the body can t survive without The doctors recommend drinking eight to ten glasses of water daily to promote optimum health This is your self control Have a fruit a day it will keep the doctor away **Texas Knights Bundle** Sara
