Lure And The Truth Of Painting Selected Essays On Art:

The Lure and the Truth of Painting Yves Bonnefoy, 1995-11 Always fascinated in his poetry by the nature of color and light and the power of the image Bonnefoy continues to pursue these themes in his discussion of the lure and truth of representation He sees the painter as a poet whose language is visual and he seeks to find out what visual artists can teach those who work with words *Poetry and the Religious Imagination* Francesca Bugliani Knox, David Lonsdale, 2016-04-22 What is the role of spiritual experience in poetry What are the marks of a religious imagination How close can the secular and the religious be brought together How do poetic imagination and religious beliefs interact Exploring such questions through the concept of the religious imagination this book integrates interdisciplinary research in the area of poetry on the one hand and theology philosophy and Christian spirituality on the other Established theologians philosophers literary critics and creative writers explain by way of contemporary and historical examples the primary role of the religious imagination in the writing as well as in the reading of poetry ~THE LURE AND TRUTH OF PAINTING, Yves Bonnefoy, 1995

Sensing Art in the Atmosphere Sasha Engelmann, 2020-09-28 This book engages artistic interventions in the aerial elements to investigate the aesthetics and politics of atmosphere Sensing Art in the Atmosphere Elemental Lures and Aerosolar Practices traces the potential of artistic community driven experiments to amplify our sensing of atmosphere marrying attentions to atmospheric affect with visceral awareness of the materials institutions and processes hovering in the air Drawing on six years of practice led research with artistic and activist initiatives Museo Aero Solar and Aerocene initiated by artist Tom s Saraceno each chapter develops creative relations to atmosphere from the studio to stratospheric currents Through narrative led writing the voices of artists and collaborators are situated and central In dialogue with these aerographic stories and sites the book develops a notion of elemental lures the sensual and imaginative propositions of aerial atmospheric and meteorological phenomena The promise of elemental lures Engelmann suggests is to reconcile our sensing of atmosphere with the myriad social cultural and political forces suspended in it Through tales of floating journeys shared envelopes of breath and surreal levitations the book foregrounds the role of art in crafting alternative modes of perceiving moving and imagining in the air The book ends with a call for elemental experiments in the geohumanities It makes an important and original contribution to elemental geographies the geohumanities and interdisciplinary scholarship on air and atmosphere

Rubens: A Portrait Paul Oppenheimer, 2002-05-21 The most popular painter of his day yet an artist whose reputation has fluctuated among art scholars and critics of the succeeding centuries Peter Paul Rubens 1577 1640 is chiefly remembered today for his large canvases of sensual gardens religious scenes and voluptuous Rubenesque women In Oppenheimer s account of his life Rubens emerges not only as a talented painter but also as an intellectual with a unique conception of beauty that proved very influential and ahead of his time Oppenheimer explores Rubens ideas as he tells the story of his life which included years as a diplomat and illuminates his response to the humanism of the Renaissance in which

a spiritual and literary journey the work moves from models of the institutional Catholic Church into more radical and ambiguous textual spaces which the author creates by bringing together an unorthodox group of thinkers referred to as poet companions the 16th century founder of the Society of Jesus Ignatius of Loyola the French thinkers Gaston Bachelard and Hélène Cixous the French poet Yves Bonnefoy and the English playwright Dennis Potter Inspired especially by the reading and writing practices of Cixous the author attempts to exemplify Cixous notion of critique of masculine writing that suggests new ways of seeing and relating The project's uniting of Ignatian spirituality with postmodern thinking and its concern with creating new theological literary and spiritual spaces for women both coincide and contrast with Pope Francis's pastoral and reformist tendencies which have neglected to adequately address the marginalisation of women in the Church As Francis has called for a theology of women of which there are of course many to draw from this volume will be a timely contribution with a unique interdisciplinary approach

Monomania Marina Van Zuylen, 2018-05-31 This book is about the obsessive strategies people use to keep the arbitrary out of their lives it is about the fanaticism and intolerance linked to their ideas of perfection and permanence Those readers who have brushed against the dangers of the *id e fixe* who have come close to surrendering to something or someone diabolically seductive or coercive will recognize in these characters their own encounter with a dangerously systematized world From the introduction Monomania explores the cultural prominence of the *id e fixe* in Western Europe during the nineteenth and twentieth centuries Marina van Zuylen revives the term monomania to explore the therapeutic attributes of obsession She introduces us to artists and collectors voyeurs and scholars hypochondriacs and melancholics whose lives are run by debilitating compulsions that may become powerful weapons against the tyranny of everyday life In van Zuylen's view there is a productive tension between disabling fixations and their curative powers she argues that the *id e fixe* has acted as a corrective for the multiple disorders of modernity The authors she studies Charles Baudelaire Sophie Calle Elias Canetti George Eliot Gustave Flaubert and Thomas Mann among them embody or set in motion different manifestations of this monomaniacal imperative Their protagonists or alter egos live more intensely more meaningfully because of the compulsive pressures they set up for themselves Monomania shows that transforming life into art or at least into the artful drives out the anxiety of the void and puts in its place something so orderly and meaningful that it can take on the aura of a religion

Searching for Presence Robert W. Greene, 2022-04-11 Yves Bonnefoy's writings have won him praise not only from readers and critics of French poetry but also thanks to translations into many other languages from readers and critics of poetry far beyond the francophone world Indeed Bonnefoy may be the most admired poet to have emerged in France since World War II Yet his art criticism dazzling in its scope possibly as original as his poetry is yet to receive the attention it deserves Searching for Presence Yves Bonnefoy's Writings on Art undertakes to fill that lacuna Elusive skirting the ineffable the notion of presence has haunted Bonnefoy for decades Central to the notion for the poet is the fleeting experience of mutuality between self and other of lightning transaction in a transient

world of a shared mortal destiny hence a plenitude within finitude In an age when so many of his contemporaries seem to view any form of art as wallpaper spanning a void Bonnefoy's faith in presence is all the more welcome Focusing on his art criticism the aspect of the poet's oeuvre in which the notion of presence is the most salient this study tries to do justice to that fidelity

The Saints of Modern Art Charles A. Riley, 1998 Asceticism seen as a powerful force in the art and thought of our time

Auschwitz and After Lawrence D. Kritzman, 2014-02-04 Beginning with Marcel Ophüls's documentary *The Sorrow and the Pity* 1970 there has been an attempt to question the idea of a totally unified courageous and resistant wartime France Even more startling have been the increasingly shocking revelations that the politics of collaboration were a mere extension of a deep seated French anti-semitic tradition In the shadow of these developments French writers and philosophers today are reflecting on the meaning of Jewish identity in the contemporary world *Auschwitz and After* analyses for the first time how the memory of Auschwitz and the collaboration continue to haunt the French These critical evaluations are accompanied by provocative essays on the Jewish Question and the politics of race as they have been studied by writers historians philosophers and film makers in postwar France

Twentieth-Century French Poetry Hugues Azérad, Peter Collier, 2010-05-20 Modern French poetry is unique in the boldness and creativity of its experiments in form and genre from classical verse to vers libre from calligrammes to prose poems and poésies sonores This anthology includes 32 poems by French and francophone poets each followed by an accessibly written detailed commentary The different approaches adopted in the close readings by specialists in their field reflect the major trends in current literary criticism and theory A foreword by one of France's foremost poets Yves Bonnefoy a general introduction and an afterword provide a helpful theoretical framework for the study of modern poetry An extensive bibliography concise biographies of the poets and a glossary of literary terms are included Students of French and of comparative literature will gain a deeper understanding of the development of French verse and of the artistic movements especially in the visual arts which have shaped twentieth century French poetry

Letters to a Young Painter Rainer Maria Rilke, 2017-11-21 Never before translated into English Rainer Maria Rilke's fascinating *Letters to a Young Painter* written toward the end of his life between 1920 and 1926 is a surprising companion to his infamous *Letters to a Young Poet* earlier correspondence from 1902 to 1908 While the latter has become a global phenomenon with millions of copies sold in many different languages the present volume has been largely overlooked In these eight intimate letters written to a teenage Baltheus who would go on to become one of the leading artists of his generation Rilke describes the challenges he faced while opening the door for the young painter to take himself and his work seriously Rilke's constant warmth his ability to sense in advance his correspondent's difficulties and propose solutions to them and his sensitivity as a person and an artist come across in these charming and honest letters Writing during his aged years this volume paints a picture of the venerable poet as he faced his mortality through the perspective of hindsight and continued to embrace his openness towards other creative individuals With an introduction by Rachel Corbett author of *You*

Must Change Your Life The Story of Rainer Maria Rilke and Auguste Rodin 2016 this book is a must have for Rilke s admirers young and old and all aspiring artists **Trauma at Home** Judith Greenberg,2003-01-01 A collection of essays edited by the novelist and short story writer takes on the questions of trauma and loss in works by Elizabeth Baer Jill Bennett Peter Brooks Toni Morrison Geoffrey Hartmann Claire Kahane James Berger and others Original Social Science Ukiyo-e Explained David Bell,2021-10-01 A great many volumes already exist on the subject of ukiyo e mostly single focus works intended to appeal to connoisseurs or art historians Ukiyo e Explained however is the first integrated study with wider scholarly appeal to show how ukiyo e is art but also social history culture and craft Indeed ukiyo e or floating world pictures form one of the most popular and widely known forms of Japanese art Their history has been well documented in the past and their distinctively decorative often sensual pictorial character is familiar to audiences around the world This study illuminates new pathways to a greater appreciation of ukiyo e by addressing the environments and conditions under which the artists worked together with the factors that determined or conditioned the peculiar stylistic character of ukiyo e It also examines the particular forces that governed this distinctive type of picture making and the corresponding development of popular tastes with the audiences of the day focusing especially on contemporary aesthetic sensibilities the ways artists learned their craft and the conditioning qualities of their medium
