**Linda Ronstadt** Peter Lewry, 2021-09-08 Often dismissed by rock historians as a product of the antiseptic Californian country music scene an artist who relied on watered down covers of classic rock n roll and pop standards this description of Linda Ronstadt couldn t be further from the truth Throughout a recording career that has covered more than forty years she has recorded in a remarkable variety of styles from pure country to pop light opera to big band standards and new wave to mariachi often taking risks beyond the reach of many critically acclaimed artists It would be hard if not impossible to find another vocalist who has had a more diversified career In their press release for the album Winterlight her record company managed to convey exactly what it was that made Linda Ronstadt such a special artist Versatile doesn t begin to describe Linda Ronstadt s astounding career a wildly eclectic devoutly adventurous journey through a myriad of styles and genres Who else has worked with Philip Glass and Dolly Parton Aaron Neville and Nelson Riddle Ronstadt s unforgettably gorgeous voice at once technically dazzling and resonating with deep emotion has woven a magical path from rock to mariachi from country to opera gathering critical and commercial success at every stop along the way Linda Ronstadt A Life In Music is an unauthorised biography that traces Linda Ronstadt s career from her days as a member of The Stone Poneys her early solo albums the critically acclaimed albums from the
