Draco's Awakening Tre` ,2009-12-02 Draco s Awakening is literary catnip for readers It is an epic vampire fantasy tale We have never understood the vampire and breakthrough new author Tre shows us why **The Blood of the Conquerors** Harvey Fergusson,1921 **Blood Rush** Jan Verplaetse,2020-03-16 As a young man Jan Verplaetse saw a hare suspended from a meat hook skinned and gutted What struck him so forcefully at the time was not the animal itself but the blood gently dripping from its mouth His reaction prompted the start of a quest he undertakes in this book to investigate our fascination with blood the most vital of fluids Blood Rush shows how throughout history blood has had the capacity to intoxicate us to the point that we lose ourselves whether in violence through hunting fighting or killing or in the vicarious thrill of watching sporting events horror films or video games Are these feelings physical or in our imagination Where does the magic of blood come from In his deeply researched and provocative narrative Verplaetse moves from antiquity to the present from magic to experimental psychology from philosophy to religion and scientific discoveries to demonstrate why blood at once attracts and repels us **The Unholy Cult of the Blood Rose** Eddie C Dollgener Jr,2015-04-25 Sarah learns that she has a long lost nephew living in an orphanage She is able to re unite with Tommy who lived in constant fear of the people who were supposed to take care of him Especially those who served the man called Morgan They were capable of any manner of cruelty that a child had to endure Sarah learns that he has lived as the victim of a sadistic cult group that regularly performed gruesome acts of violence Their world is turned upside down when Morgan and many of his followers pursues the boy to bring him back into their control Tommy had something Morgan wanted Something Morgan would kill for Even when Tommy had been taken as far from the place of evil as he could he was not safe Morgan s followers were everywhere They would stop at nothing to bring him back to The Unholy Cult of the Blood Rose The Bite, the Breast and the Blood Amy Williams Wilson,2018-09-18 Central to every vampire story is the undead s need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond This blood connection suggests two primal natural desires breastfeeding and communion with God through a blood covenant This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker *Amanda Ashley*
