Lustful Ones:

Cosmic Ships Samael Aun Weor, 2025-02-01 In 1950 while discussing flying saucers with three other physicists at Los Alamos Scientific Laboratory Enrico Fermi asked Where is everybody as if to say if there is intelligent life elsewhere in the universe why do we have no proof For sixty years scientists and the public have debated the answer to this question yet none have considered what Samael Aun Weor explains in Cosmic Ships We are absolutely sure that the cannibals from Africa and the Amazon also felt very annoyed when they could not capture an explorer Regarding concrete facts about flying saucers people want to proceed like cannibals however it is clear that the crews of those cosmic ships who know human savagery very well are not willing to let themselves be ensnared since they know very well the fortune that awaits them that is the intellectual loafers would make them prisoners the ships would be seized and used for war etc Logical analysis of the facts demonstrates not only the existence of advanced humanities but their presence on our planet There are thousands of documented cases of unexplained ships hundreds of cases of governments hiding what they know and decades of an attempt to encourage the populace to discard the facts as fantasy or foolishness Through stories from his own experience and analysis of well known events Samael Aun Weor shows that much of what we believe about extraterrestrials is false based on fear stubborn skepticism and outright lies He explains how easy it is for advanced humanities to hide from us and why they must because we are so consumed by psychological defects like pride greed and envy that we are a danger to ourselves and the universe That is why they are here to understand why we are such savages and how to help us change for the better It is time for us to stop trying to capture or destroy them and welcome their assistance Based on clear logic facts and documented events Shatters myths about UFOs and alien visitors Grounded in both solid science and spiritual tradition One God One People Sadhu.
