Fragmentos de Una Enseñanza Henry Morales, 2003 The present book Fragmentos de una Enseñanza Fragments of a Teaching is the result of my conversations held with the Master P for a period of fourteen years covering different subjects of the Occult or Esoteric Philosophy which many students are familiar Though it may not appear new to some this is the first time that a work of this nature has been published in the Spanish language since most of the books on these subjects are usually translations from the English French and other languages Very few books if any have been written about this particular for the Spanish speaking public My sole function and responsibility in the preparation of this work is to be faithful and truthful to the teachings imparted by the Master and to put it in such a manner that it can be understood by all not only the few Finally I can only add that the purpose behind this book is to stimulate and thus awake all men and women of good will who earnestly aspire to a better understanding of some of the laws and principles which God has manifested throughout the Universe and which the Masters of the Wisdom have proclaimed thru the Ages For More Information please visit the author's website

El discurso del Monte o la donación de Dios como Padre Santiago Silva Retamales,2019-10-09 Una mirada con profundidad al Sermón de la montaña El Discurso del monte es la primera homilía de Jesús según el evangelio de Mateo El Maestro busca que los suyos entiendan en qué consiste su identidad de discípulos y por lo mismo sus nuevas relaciones fundamentales que adquieren respecto a Dios a los otros y a las cosas y las nuevas consecuencias típicas que conllevan estas relaciones Sumergirse en estas páginas es tener la posibilidad de reencantar nuestra identidad de discípulos para un mejor servicio a la sociedad Estos comentarios exegéticos requieren de lectores que se den tiempo y que sobre todo busquen con pasión la Palabra de Dios
