Gordon,2000 **Caring for the Dying Patient and the Family** Janet Moscrop,Joy Robbins,2013-11-11 This third edition of a popular textbook has been completely revised by the joint editors Janet Moscrop and Joy Robbins As in previous editions the focus is on the person dying at home in residential care or in hospital and the emphasis is on teamwork in caring for the individual and their relatives and friends Experts in all aspects of care have contributed to this complete revision of the previous text and each chapter is written by a different member of the multiprofessional team The chapter on the terminal care of people suffering from AIDS has been enlarged and consideration is also given to care of those in the term inal stages of other non malignant diseases Other new material includes chapters on complementary therapy the use of the day centre the value of volunteers diversional therapy and respite care The chapter on bereavement covers many aspects of grief and loss and there is a sensitive approach to the need for supporting staff in this spe cialized work Consideration is also given to the needs of dying and griev ing people from differing ethnic backgrounds with varying cultural expectations in a pluralistic society The third edition offers a broad overview of the support given to the dying person and the carers by medical and nursing staff physiothera pists pharmacists social workers the chaplaincy and members of the pastoral care team Students of all these disciplines should find this book both readable and informative **The Nurse and the Dying Patient** Jeanne

Quint Benoliel,1967 Dying, Assisted Death and Mourning Asa Kasher,2009 Dying and death are topics of deep humane concern for many people in a variety of circumstances and contexts However they are not discussed to any great extent or with sufficient focus in order to gain knowledge and understanding of their major features and aspects The present volume is an attempt to bridge the undesirable gap between what should be known and understood about dying and death and what is easily accessible Included in the present volume are chapters arranged in three sections First there are chapters on aspects of dying written by people who have professional experience and personal insights into the nature of the processes at work and the ways it should be treated Secondly there are chapters on assisted death Euthanasia that illuminate the practices involved in the professional assistance given to persons who suffer from an incurable illness and who do not want their

painful life to be medically extended Thirdly there are chapters on mourning examined in a variety of cultural contexts These provide insights for different ways of maintaining the presence of the dead in the life of the living life in the hearts

*Dealing with Death and Dying* Sheila Lelly Blake,1976      **Healing the Dying** Melodie Olson,1997 This book provides the nurse with objectives and goals for care of the dying patient Healing the Dying offers specific information that when put into real life situations conveys how the treatment works or how evaluation assessments are made Family and society support are also covered with discussions of hospice and alternative bereavement services Vulnerable populations such as AIDS patients are included      Towards Death with Dignity Sylvia Poss,2021-11-07 The explosion of literature on the once taboo topic of death and dying in the late 1970s had tended to pass the professional social worker by Originally published in 1981 it was to fill this important gap that Towards Death with Dignity was written Not since Kubler Ross s now classic On Death and Dying has a book in the field of terminal care been informed by so much first hand experience and so much case material allowing the caregiver to learn from the dying person himself how best to help him towards a dignified death Sylvia Poss s sensitive elucidation of what the dying person must do for himself in order to master his terminal crisis was welcomed as a major contribution to psychosocial knowledge at the time Having outlined the dying person s side of the crisis she turns to the perspective of those who hope to help him towards death other patients nurses doctors paramedical staff and social workers chaplains volunteers employers relatives and friends Towards Death with Dignity focuses on three of social work s major methods social casework community work and teaching Not only does Sylvia Poss outline what may need to be done by the caregiver but she also illustrates how she further outlines how to prepare for social work in the terminal care field and suggests an effective method for teaching terminal care skills Her book also provided for the first time a synthesis of other recent work in the field to help social workers through what had become a plethora of specialist psychosocial and medical literature Towards Death with Dignity was thus a useful practical guide both for laymen and for the many professionals involved in this aspect of the health care field It will also be valuable for those who are involved personally in moving towards their own death or are being called upon to be involved in some way in the death of a relative neighbour or friend
