Cavalli, 2002-03-04 Alchemical practices have been reborn in our contemporary world under the rubric of Jungianism transpersonal psychology or depth psychology But in Alchemical Psychology Thom F Cavalli Ph D takes us directly to the source and on a wonderful adventure into the true nature of our hearts and minds In a book that sparkles with verve life and practicality Dr Cavalli explains how alchemy was one of humankind s earliest efforts to transform the nature of consciousness What little known or underground arts did alchemists practice in pursuit of self transformation and how can they enrich us today Using the same practices that he employs with patients Dr Cavalli offers readers a plethora of personal exercises that among other things enables them to type themselves according to ancient alchemical identifiers of nature and personality He then provides practices that can help free them from the grip of familiar problems and foster true personal growth Beautifully illustrated with medieval prints from the alchemical tradition Alchemical Psychology gives readers both a richer understanding of their own natures and of the traditions on which many of our modern therapies are based

Vision and Leadership in Sustainable Development Chris Maser, 1998-08-18 Effective leadership or lack of it makes a critical difference in the conception implementation and endurance of community endeavors In his travels as an environmental consultant and lecturer Chris Maser has seen the dilemma many times I have taken part in so called community visioning processes in which it was patently clear that the people conducting the process knew nothing about a vision or how to create one It has been my experience that the vast majority of people cannot lead because they do not know what the inner qualities of leadership are Vision and Leadership in Sustainable Development explores the seldom considered philosophical basis behind the models and methods of leadership pointing the way to the essential qualities it takes to establish a shared vision of community life Divided into two parts shared vision and leadership Maser explores numerous issues and considerations to cultivate well rounded leadership and provide a more substantive blueprint for local activism As with the previous and forthcoming volumes in the Sustainable Community Development series Maser recognizes the increasing importance of local communities to take charge of the issues most directly affecting the environment
