# LYNDON JOHNSON'S WAR

America's Cold War Crusade in Vietnam, 1945–1968

Michael H. Hunt

# Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968

**David Kirk**

## **Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968:**

*Lyndon Johnson's War* Michael H. Hunt, 1997-08-30 The Vietnam War perhaps the most controversial war Americans have ever fought remains a source of pain and perplexity Why did Lyndon Johnson commit the United States to fight Why did he fail to act more decisively once he resolved on war And why didn't he take the American public into his confidence These questions have troubled historians since the end of the war but the answers have been buried in inaccessible documents Now Michael H Hunt uses newly available sources from both American and Vietnamese archives to reevaluate how and why the war started and then escalated He examines the ideological strategic political and institutional pressures that in the 1950s propelled the Truman and Eisenhower administrations toward intervention in Indochina the reasons why Kennedy's and Johnson's policymakers believed that a limited war could be fought there Johnson's early position on Vietnam and his decision to intensify U S involvement in the war and finally the tragic consequences of the Vietnam War both at home and abroad Throughout he discusses the values choices misconceptions and miscalculations that shaped the long process of American intervention thus rendering more comprehensible if no less troubling the tangled origins of the Vietnam War

America in the Cold War William T. Walker, 2014-01-22 Including extensive balanced information keen insights and helpful research tools this book provides a valuable resource for students or general readers interested in American policy diplomacy and conduct during the Cold War The Cold War not only comprised the dominant theme in American foreign policy during the second half of the 20th century its influence was also imbedded into American culture The half century duration of the Cold War was an extended learning period during which the United States found that it could no longer remain an isolationist nation in a complex quickly evolving and dangerous world This book covers the entire scope of the Cold War from its background and origins before and after World War II to the collapse of the Soviet Union on December 25 1991 providing coverage of key events and concepts such as the containment policy McCarthyism the Cuban Missile Crisis the Vietnam War détente and nuclear arms policies The single volume work also provides an annotated bibliography primary documents and biographies of key personalities during the Cold War such as John Foster Dulles J Edgar Hoover George F Kennan Henry Kissinger Edward R Murrow and Ronald Reagan

The Vietnam War Mitchell Hall, 2018-03-19 The Vietnam War examines this conflict from its origins up until North Vietnam's victory in 1975 Historian Mitchell K Hall's lucid account is an ideal introduction to the key debates surrounding a war that remains controversial and disputed in American scholarship and collective memory The new edition has been fully updated and expanded to include additional material on the preceding French Indochina War the American antiwar movement North Vietnamese perspectives and motivations and the postwar scholarly debate The text is supported by a documents section and a wide range of study tools including a timeline of events glossaries of key figures and terms and a rich further reading section accompanied by a new bibliographical essay Concise yet comprehensive The Vietnam War remains the most accessible and stimulating introduction to this crucial 20th century

conflict     **The Vietnam War** Mitchell K. Hall, 2014-07-22 The Vietnam War examines the conflict from its origins through to 1975 and North Vietnam's victory. This new revised edition is completely up to date with current academic debates and includes new source material. Mitchell Hall explores all the key elements of the conflict including US motivations for entering the war and the military strategies employed. The role of the media. The rise of domestic opposition. The war's impact in the US and Vietnam. Mitchell Hall provides numerous insights into the political decisions of the Vietnamese communists and Vietnam's relations with other major powers particularly China and the Soviet Union. The main text is supported by a comprehensive documents section and a range of study tools including a Chronology of events. Who's Who. A Glossary of terms and a Further Reading section. Concise yet thorough the book provides students with an accessible and stimulating introduction to the war.

Silent Film and the Triumph of the American Myth Paula Marantz Cohen, 2001-05-03 Silent Film and the Triumph of the American Myth is a broad cultural study that connects the rise of film to the rise of America as a cultural center and world power in the twentieth century. Cohen argues that through the medium of silent film America was able to sever its literary and linguistic ties to Europe, assert its cultural independence and forge a unique form of cultural expression. Silent films drew on elements developed in popular forms of representation like photography, landscape panoramas and vaudeville performance to create a medium that more accurately represented the American experience.

American Justice in Taiwan Stephen G. Craft, 2016-01-29 On May 23, 1957, US Army Sergeant Robert Reynolds was acquitted of murdering Chinese officer Liu Ziran in Taiwan. Reynolds did not deny shooting Liu but claimed self-defense and like all members of US military assistance and advisory groups was protected under diplomatic immunity. Reynolds's acquittal sparked a series of riots across Taiwan that became an international crisis for the Eisenhower administration and raised serious questions about the legal status of US military forces positioned around the world. In *American Justice in Taiwan*, author Stephen G. Craft provides the first comprehensive study of the causes and consequences of the Reynolds trial and the ensuing protests. After more than a century of what they perceived as unfair treaties imposed by Western nations, the Taiwanese regarded the special legal status of resident American personnel with extreme distrust. While Eisenhower and his advisers considered Taiwan to be a vital ally against Chinese communism, the US believed that the Taiwanese government had instigated the unrest in order to protest the verdict and demand legal jurisdiction over GIs. Regardless of the events that transpired in 1957, they exposed the enormous difficulty of applying the US's Uniform Code of Military Justice (UCMJ) across cultures. Employing meticulous research from both Western and Chinese archives, Craft demonstrates that the riots were only anti-American in that the Taiwanese rejected the UCMJ, the affording of diplomatic immunity to occupying US forces and the military courts' interpretation of self-defense. His compelling study provides a new lens through which to examine US-Taiwan relations in the 1950s, US policy in Asia and the incredibly charged and complex question of the legal status of US troops on foreign soil.

American Foreign Relations Reconsidered Gordon Martel, 2002-11-01 This major new textbook brings

together twelve of the leading scholars of U S foreign relations Each contributor provides a clear concise summary of an important period or theme in US diplomatic and strategic affairs since the Spanish American War Michael Hunt and Joan Hoff provide an overview of the traditions behind US policy and a preview of things to come Together the contributors offer a succinct explanation of the controversies and questions that historians have grappled with throughout the twentieth century Students will find these essays a reliable and useful guide to the various schools of thought which have emerged Although each of the scholars is well known for their detailed and original work these essays are new and have been specially commissioned for this book The articles follow the chronological development of the emergence of the United States as a world power but special themes such as the American policy process economic interests relations with the Third World and the dynamics of the nuclear arms race have been singled out for separate treatment American Foreign Relations Reconsidered 1890 1993 represents essential reading for upper level undergraduates studying modern American history The book has been designed and written exclusively to meet the needs of students either as a major course text or as a set of supplementary readings to support other texts

Triangles, Symbols, and Constraints Charles M. Dobbs, 2010 In his five plus years as president of the United States Lyndon Johnson witnessed dramatic power struggles within and between the Soviet Union the People s Republic of China and the United States of America New Soviet leaders were determined to build Soviet power and extend Soviet influence Mao s revolutionary ideology so dominated China that there were few levers to move Sino American relations ahead Johnson wanted to ease Cold War tensions by reaching a range of agreements with the Soviet Union on nuclear weapons and establishing relations with the People s Republic of China in order to end its isolation in the world community However multiple events frustrated Johnson s good intentions The Soviet leadership that overthrew Nikita Khrushchev was committed to expanding its military might before negotiating with Washington it also began focusing more and more on the worsening Sino Soviet split Mao Zedong entered into the Great Proletarian Cultural Revolution and China seemed to devour itself Meanwhile the Vietnam War made negotiations among all three great powers more difficult limiting room to maneuver But Johnson persevered and by 1968 the apparent American retreat symbolized by the North Korean seizure of the USS Pueblo and the Communist Tet Offensive in Vietnam along with the Soviet invasion of Czechoslovakia seemed to change the construct between the great powers Beijing emerging from the worst of the Cultural Revolution increasingly feared Soviet intentions and Moscow wanted to prevent a Sino American rapprochement Although Johnson did not achieve his lofty goals he created the pre conditions that Richard Nixon later harvested for the d tente with Moscow and rapprochement with Beijing Johnson s best intentions fell prey to triangles symbols and constraints

*The Last Brahmin* Luke A. Nichter, 2020-09-22 The first biography of a man who was at the center of American foreign policy for a generation Few have ever enjoyed the degree of foreign policy influence and versatility that Henry Cabot Lodge Jr did in the postwar era perhaps only George Marshall Henry Kissinger and James Baker Lodge however had the distinction of wielding

that influence under presidents of both parties For three decades he was at the center of American foreign policy serving as advisor to five presidents from Dwight Eisenhower to Gerald Ford and as ambassador to the United Nations Vietnam West Germany and the Vatican Lodge s political influence was immense He was the first person in 1943 to see Eisenhower as a potential president he entered Eisenhower in the 1952 New Hampshire primary without the candidate s knowledge crafted his political positions and managed his campaign As UN ambassador in the 1950s Lodge was effectively a second secretary of state In the 1960s he was called twice by John F Kennedy and by Lyndon Johnson to serve in the toughest position in the State Department s portfolio as ambassador to Vietnam In the 1970s he paved the way for permanent American ties with the Holy See Over his career beginning with his arrival in the U S Senate at age thirty four in 1937 when there were just seventeen Republican senators he did more than anyone else to transform the Republican Party from a regional isolationist party into the nation s dominant force in foreign policy a position it held from Eisenhower s time until the twenty first century In this book historian Luke A Nichter gives us a compelling narrative of Lodge s extraordinary and consequential life Lodge was among the last of the well heeled Eastern Establishment Republicans who put duty over partisanship and saw themselves as the hereditary captains of the American state Unlike many who reach his position Lodge took his secrets to the grave including some that revealed here for the first time will force historians to rethink their understanding of America s involvement in the Vietnam War

**Neoclassical Realism, the State, and Foreign Policy** Steven E. Lobell, Norrin M. Ripsman, Jeffrey W. Taliaferro, 2009-01-15 Neoclassical realism is an important approach to international relations Focusing on the interaction of the international system and the internal dynamics of states neoclassical realism seeks to explain the grand strategies of individual states as opposed to recurrent patterns of international outcomes This book offers the first systematic survey of the neoclassical realist approach The editors lead a group of senior and emerging scholars in presenting a variety of neoclassical realist approaches to states grand strategies They examine the central role of the state and seek to explain why how and under what conditions the internal characteristics of states intervene between their leaders assessments of international threats and opportunities and the actual diplomatic military and foreign economic policies those leaders are likely to pursue

**The Columbia Guide to the Cold War** Michael Kort, 2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes

**The Color of Truth** Kai Bird, 2017-01-10 From the Pulitzer Prize winning coauthor of

American Prometheus this biography of the Bundy Brothers inspired the Academy Award winning film Oppenheimer In this definitive biography of McGeorge Bundy and William Bundy two of the best and the brightest who advised presidents about peace and war during the most dangerous years of the Cold War Kai Bird pens a portrait of the fiercely patriotic brilliant and brazenly self confident men who directed a steady escalation of a war they did not believe could be won Drawing on seven years of research nearly one hundred interviews and scores of still classified top secret documents in a masterful reevaluation of America s actions throughout the Cold War and Vietnam The Color of Truth tells the tale of the anti communist liberals who despite their grave doubts about sending Americans to fight in Southeast Asia became key architects of America s war in Vietnam Like the bestselling The Wise Men this dual biography is both an inside account of the making of US foreign policy in an era of nuclear weapons and a stunning group portrait of the heirs of the Wise Men including Robert McNamara George Ball and Robert Kennedy and the presidents they served Vietnam's American War Pierre Asselin,2024-06-13 The American war in Vietnam was so much more than the sum of its battles To make sense of it we must look beyond the conflict itself We must understand its context and above all the formative experiences worldview and motivations of those who devised communist strategies and tactics Vietnam s American War now in its second edition remains a story of how and why Hanoi won However this revised and expanded edition offers more extensive and nuanced insights into Southern Vietnamese history politics and society It puts to rest the myth of Vietnamese national unity by documenting the myriad profound local fractures exacerbated by US intervention It also includes over thirty five new images intended to highlight that the Vietnam War was fundamentally a Vietnamese civil war and tragedy This new edition is as richly detailed as it is original eye opening and absorbing **Vietnam War Almanac** James H. Willbanks,2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly *China and the Vietnam Wars, 1950-1975* Qiang Zhai,2005-10-21 In the quarter century after the founding of the People s Republic of China in 1949 Beijing assisted Vietnam in its struggle against two formidable foes France and the United States Indeed the rise and fall of this alliance is one of the most crucial

developments in the history of the Cold War in Asia Drawing on newly released Chinese archival sources memoirs and diaries and documentary collections Qiang Zhai offers the first comprehensive exploration of Beijing's Indochina policy and the historical domestic and international contexts within which it developed In examining China's conduct toward Vietnam Zhai provides important insights into Mao Zedong's foreign policy and the ideological and geopolitical motives behind it Throughout the 1950s and 1960s he shows Mao considered the United States the primary threat to the security of the recent Communist victory in China and therefore saw support for Ho Chi Minh as a good way to weaken American influence in Southeast Asia In the late 1960s and 1970s however when Mao perceived a greater threat from the Soviet Union he began to adjust his policies and encourage the North Vietnamese to accept a peace agreement with the United States **Infantry**,1997 **The Icarus Syndrome** Peter Beinart,2010 In *The Icarus Syndrome* Peter Beinart tells a tale as old as the Greeks a story about the seductions of success Beinart describes Washington on the eve of three wars World War I Vietnam and Iraq three moments when American leaders decided they could remake the world in their image Each time leading intellectuals declared that history was over and the spread of democracy was inevitable Each time a president held the nation in the palm of his hand And each time a war conceived in arrogance brought untold tragedy In dazzling colour Beinart portrays three extraordinary generations the progressives who took America into World War I led by Woodrow Wilson the lonely preacher's son who became the closest thing to a political messiah the world had ever seen The Camelot intellectuals who took America into Vietnam led by Lyndon Johnson who lay awake night after night shaking with fear that his countrymen considered him weak And George W Bush and the post cold war neoconservatives the romantic bullies who believed they could bludgeon the Middle East and liberate it at the same time Like Icarus each of these generations crafted wings a theory about America's relationship to the world They flapped carefully at first but gradually lost their inhibitions until giddy with success they flew into the sun But every era also brought new leaders and thinkers who found wisdom in pain They reconciled American optimism our belief that anything is possible with the realities of a world that will never fully bend to our will In their struggles lie the seeds of American renewal today Based on years of research *The Icarus Syndrome* is a provocative and strikingly original account of hubris in the American century and how we learn from the tragedies that result **The United States and Decolonization** D. Ryan,V. Pungong,2000-05-15 At the international level the twentieth century was characterized by the rise in national self determination in the Third World and by the rise of US power This book analyzes the dynamics of the changing relationships between the United States and states seeking decolonization within the contexts of the US relationship with the European colonial powers the Cold War and the economic system Its scope is broad in both space and time This collection of articles brings together leading scholars as well as recently qualified authors on a subject that was confined in the Cold War paradigm but ultimately needs to transcend it **Vietnam If Kennedy Had Lived** James G. Blight,janet M. Lang,David A. Welch,2009-02-16 *The Virtual JFK DVD* is now available For more information on the film

companion to the book visit <http://www.virtualjfk.com> It Matters Who Is President Then and Now At the heart of this provocative book lies the fundamental question Does it matter who is president on issues of war and peace The Vietnam War was one of the most catastrophic and bloody in living memory and its lessons take on resonance in light of America's current devastating involvement in Iraq Tackling head on the most controversial and debated what if in U S foreign policy this unique work explores what President John F Kennedy would have done in Vietnam if he had not been assassinated in 1963 Drawing on a wealth of recently declassified documents frank oral testimony of White House officials from both the Kennedy and Johnson administrations and the analysis of top historians this book presents compelling evidence that JFK was ready to end U S involvement well before the conflict escalated With vivid immediacy readers will feel they are in the president's war room as the debates raged that forever changed the course of American history and continue to affect us profoundly today as the shadows of Vietnam stretch into Iraq

McCarthyism Jonathan Michaels, 2017-04-21 In this succinct text Jonathan Michaels examines the rise of anti communist sentiment in the postwar United States exploring the factors that facilitated McCarthyism and assessing the long term effects on US politics and culture McCarthyism The Realities Delusions and Politics Behind the 1950s Red Scare offers an analysis of the ways in which fear of communism manifested in daily American life giving readers a rich understanding of this era of postwar American history Including primary documents and a companion website Michaels text presents a fully integrated picture of McCarthyism and the cultural climate of the United States in the aftermath of the Second World War

## **Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Introduction**

Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Offers a diverse range of free eBooks across various genres. Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968, especially related to Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 books or magazines might include. Look for these in online stores or libraries. Remember that while Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 eBooks, including some popular titles.

## **FAQs About Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 Books**

**What is a Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lyndon Johnsons War Americas Cold War Crusade In Vietnam 1945 1968 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
