Lyskarion J. A. Cullum, 2014-12-10 Hundreds of years before the story takes place the Great Wizards created the Karionin eight living crystals which substantially increase the bearer's power. When a conflict breaks out among the great wizards this increased power results in mass destruction and death. Now people fear the wizard's potential for destruction and few children train to become wizards. Plagued by racial and religious hatred Tamar is home to nine races humans live side by side with races who have the ability to shift their shape from human to animal form including dolphins Ingvalar tigers Linlar and lizards Isklar. The dolphins and humans get along yet prejudices exist. The tigers and lizards have been attacking human settlements and a devastating war seems inevitable. Cormor the last of the great wizards knows that the only chance for peace is for a legion of powerful wizards to reign once again. The fate of Tamar falls upon three youths each with great potential each with a reason for resistance. These young wizards in training must learn to overcome their differences and restore peace once again or humanity will be destroyed. **Lyskarion** is the first book of the Chronicles of the Karionin trilogy. Books in this series **Lyskarion The Song of the Wind Cinkarion The Heart of Fire Vyrkarion The Talisman of Anor** **Fantasy Literature for Children and Young Adults** Ruth Nadelman Lynn, 2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3-12 are given. The introduction discusses the history of fantasy and awards presented to fantasy titles are listed. **Cinkarion** J. A. Cullum, 2010-09 Tamar is a world inhabited by nine humanoid races plagued by racial and religious hatreds and steadily moving towards an epic war in the second book in the Chronicles of the Karionin trilogy. **Cinkarion** Janice A. Cullum, Home to nine races of humans and near humans the world of Tamar lies on the brink of total war unless the living crystals known as the karionin find young wizards capable of attuning themselves to the magic of the stones. In **LYSKARION The Song of the Wind Book One** in the Karionin Chronicles the karionin Lyskarion chooses one of the dolphin folk wizards as its bearer. Now in a world torn by war between the humans and tiger folk a second living crystal Cinkarion must select a new bearer one whose mind is as powerful as the crystal itself. To the human wizards' initial disappointment Cinkarion chooses a member of tiger folk royalty a young woman who is a commander in the navy. Could this be a mistake or part of a bigger plan to bring together a new wizards council one that represents all of the races of Tamar in equality.
