*Ain't That a Knee-Slapper* Tim Hollis, 2010-07-27 There was a time when rural comedians drew most of their humor from tales of farmers daughters hogs hens and hill country high jinks Lum and Abner and Ma and Pa Kettle might not have toured happily under the Redneck marquee but they were its precursors In *Ain't That a Knee Slapper* Rural Comedy in the

Twentieth Century author Tim Hollis traces the evolution of this classic American form of humor in the mass media beginning with the golden age of radio when such comedians as Bob Burns Judy Canova and Lum and Abner kept listeners laughing The book then moves into the motion pictures of the 1930s 1940s and 1950s when the established radio stars enjoyed second careers on the silver screen and were joined by live action renditions of the comic strip characters Li l Abner and Snuffy Smith along with the much loved Ma and Pa Kettle series of films Hollis explores such rural sitcoms as The Real McCoys in the late 1950s and from the 1960s The Andy Griffith Show The Beverly Hillbillies Green Acres Hee Haw and many others Along the way readers are taken on side trips into the world of animated cartoons and television commercials that succeeded through a distinctly rural sense of fun While rural comedy fell out of vogue and networks sacked shows in the early 1970s the emergence of such hits as The Dukes of Hazzard brought the genre whooping back to the mainstream Hollis concludes with a brief look at the current state of rural humor which manifests itself in a more suburban redneck brand of standup comedy

A fascinating tour through Hollywood's big studio era and the lives of its characters. Provided by publisher "Twice the Thrills! Twice the Chills!" Bryan Senn, 2019-02-28. In the mid 1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double bills, including many horror and science fiction double features. Though many of these films were low budget and low end, others such as *Invasion of the Body Snatchers*, *Horror of Dracula*, and *The Fly* became bona fide classics. Beginning with Universal International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double bills were released over a 20-year period. This book presents these double features year by year and includes production details, historical notes, and critical commentary for each film. **Deanna Durbin in Hollywood** Barry Lowe, 2024-02-09. Known as the first film

teenager, Deanna Durbin was one of the most popular actresses of the 1930s and 1940s. From starring alongside legends like Judy Garland to playing the lead role in classic film musicals, her rise to fame seemed almost like fantasy. But her life behind the scenes was anything but glamorous. Though Durbin was a princess to the public, she was a puppet to film studios and producers, and a punching bag for critics and gossip columnists. At the end of her twelve-year career, her only wish was to be forgotten. Impossible. This book pays tribute to Deanna Durbin by detailing her life and career in the context of her time and appraises her film work from both a contemporaneous and a modern view. It includes a short biography, an in-depth discussion of her films, and an extensive filmography and bibliography of her work. Readers will discover the true identity behind the people's Cinderella and how Durbin's career opened Hollywood's studio gates to a generation of adolescent performers. *Dreams of Bread and Fire* Nancy Kricorian, 2013-09-03. By turns funny, tragic, astute, and enlightening, *Dreams of Bread and Fire* is an engrossing coming-of-age tale. Library Journal starred review. Half Jewish, half Armenian, Ani is desperately in love with a New England boy with a trust fund as big as his appetites and the farthest thing possible from the Old World accents and superstitions that filled her childhood home. But after leaving for a year in Paris, she receives a letter from him ending their relationship. Embarking on a series of romantic misadventures, Ani soon reconnects with a childhood friend. Elusive and intriguing, Van Ardavanian is preoccupied with the Armenian heritage they share and provides Ani with a new connection to her identity even as she begins to suspect that he has a secret and dangerous identity himself. The dark shadows of history surrounding Van propel Ani into a profound and passionate series of journeys: a quest for a long dead father, a search for the clues of a nearly forgotten genocide, and a love threatened by a quietly gathering storm of murder and retribution. Kricorian does for young women what James Joyce did for middle-aged men. She allows us to scramble safely amid the debris of new love, rejection, sex, and identity.
