**Mac 2000** Stan McMurtry,2002      Mac 2000 Mac,2000-03-04      Access to History: Britain 1945-2007 Michael Lynch,2008-10-31 The Access to History series is the most popular and trusted series for AS and A level history students This title combines all the strengths of this well loved series with a features that allow all students access to the content and study skills needed to achieve exam success This title is written specifically for the 2008 AS and A2 specifications for all exam boards It charts the key changes in the social political and cultural development of Britain across this period It looks at key individuals throughout these years from Churchill and Wilson to Thatcher and Blair assessing each of their periods in office and charting the rise and fall of political consensus Finally in assessing the changes that have taken place the book enables students to gain a clearer perspective on the cultural and political Britain that they live in today Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by examiners for the OCR and Edexcel exam specifications provide the opportunity to develop exam skills      **Now that's what I call a history of the 1980s** Lucy Robinson,2023-07-18 Now that s what I call a history of the 1980s tells the story of eighties Britain through its popular culture Charting era defining moments from Lady Diana s legs and the miners strike to Glastonbury s Pyramid Stage and Adam and the Ants Lucy Robinson weaves together an alternative history to the one we think we know This is not a history of big geopolitical disasters or a nostalgic romp through discos shoulder pads and yuppie culture Instead the book explores a mashing together of different genres and fan bases in order to make sense of our recent past and give new insights into the decade that defined both globalisation and excess Packed with archival and cultural research but written with verve and spark the book offers as much to general readers as to scholars of this period presenting a distinctive and definitive contemporary history of 1980s Britain from pop to politics to cold war cultures censorship and sexuality      The British National Bibliography Arthur James Wells,2002      Critical Directions in Comics Studies Thomas Giddens,2020-08-25 Contributions by Paul Fisher Davies Lisa DeTora Yasemin J Erden Adam Gearey Thomas Giddens Peter Goodrich Maggie Gray Matthew J A Green Vladislav Maksimov Timothy D Peters Christopher Pizzino Nicola Streeten and Lydia Wysocki Recent decades have seen comics studies blossom but within the ecosystems of this growth dominant assumptions have taken root assumptions around the particular methods used to approach the comics form the ways we should read comics how its system works and the disciplinary relationships that surround this evolving area of study But other perspectives have also begun to flourish These approaches question the reliance on structural linguistics and the tools of English and cultural studies in the examination and understanding of comics In this edited collection scholars from a variety of disciplines examine comics by addressing materiality and form as well as the wider economic and political contexts of comics creation and reception Through this lens influenced by poststructuralist theories contributors explore and

elaborate other possibilities for working with comics as a critical resource consolidating the emergence of these alternative modes of engagement in a single text This opens comics studies to a wider array of resources perspectives and modes of engagement Included in this volume are essays on a range of comics and illustrations as well as considerations of such popular comics as Deadpool Daredevil and V for Vendetta and analyses of comics production medical illustrations and original comics Some contributions even unfold in the form of comics panels

*British Rail 1974-1997* Terence Richard Gourvish, Terry Gourvish, 2004-01-29 Based on privileged access to the British Railway Board's rich archives this book provides an authoritative account of the progress made by the British Railway System prior to its privatization It offers a unique account of the last fifteen years of nationalized railways in Britain and it sheds light on the current problems of privatized railway systems This volume is divided into four complete and concise sections for complete study Railways Under Labour 1974-1979 The Thatcher Revolution British Rail in the 1980s On The Threshold of Privatization Running the Railways 1990-1994 and Responding to Privatization 1981-1997 Author Terry Gourvish is considered Britain's leading railway historian

*The Age of Stress* Mark Jackson, 2016-11-17 We are living in a stressful world yet despite our familiarity with the notion stress remains an elusive concept In *The Age of Stress* Mark Jackson explores the history of scientific studies of stress in the modern world In particular he reveals how the science that legitimates and fuels current anxieties about stress has been shaped by a wide range of socio-political and cultural as well as biological factors stress he argues is both a condition and a metaphor In order to understand the ubiquity and impact of stress in our own times or to explain how stress has commandeered such a central place in the modern imagination Jackson suggests that we need to comprehend not only the evolution of the medical science and technology that has gradually uncovered the biological pathways between stress and disease in recent decades but also the shifting social-economic and cultural contexts that have invested that scientific knowledge with meaning and authority In particular he argues we need to acknowledge the manner in which enduring concerns about the effects of stress on mental and physical health are the product of broader historical preoccupations with the preservation of personal and political as well as physiological stability

**Pulling Newspapers Apart** Bob Franklin, 2008-03-07 *Pulling Newspapers Apart* Analysing Print Journalism explores contemporary UK national and local newspapers at a significant and pivotal moment in their development when some pundits are busily if mistakenly announcing their demise The book offers a detailed examination of features which previous studies have tended to neglect such as editorial formats aspects of newspaper design newspaper contents as well as the content of newspapers which is not generated by in-house journalists

**The Welfare State We're In** James Bartholomew, 2013-12-16 The welfare state is one of Britain's crowning achievements Or is it In this seminal book now studied in universities in Britain and elsewhere James Bartholomew advances the sacrilegious argument that however well meaning its founders the welfare state has done more harm than good He argues that far from being the socialist utopia the post-war generation dreamed of the welfare state has

led to avoidable deaths in the NHS falling standards in schools permanent mass unemployment and many other unintended consequences At a deeper level he contends that the welfare state has caused millions to live deprived and even depraved lives undermining the very decency and kindness which first inspired it This landmark book changed the way many people think about the welfare state It played a major role in the political debate that led to recent reforms Now with a new introduction by the author assessing the value of these reforms this classic text still shocks with the power of its arguments and the weight of its supporting evidence      **Serials in the British Library** ,2003      **The New British Politics** Ian Budge,David McKay,Kenneth Newton,John Bartle,2013-12-16 The New British Politics is one of the most comprehensive and successful introductions to British politics ever published Now available in a fully revised and updated fourth edition this clear lively and authoritative text has an emphasis on law and order and the historical context of British politics Written by internationally known specialists the book combines incisive and original analysis with direct presentation      **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004      **Tony & Cherie** Paul Scott,2006 Biography that looks at how the Blairs have survived life in Downing Street with all its stresses and strains      **The Best of Mac** Stan McMurtry,2010-10-04 StartFragment From the Daily Mail s perennially popular resident cartoonist MAC A hilarious collection of MAC s most famous political cartoons Following on from The Best of MAC 2000 2009 also available from Portico Best selling Daily Mail cartoonist MAC s collections have made the British public giggle for more years than we care to remember For the first time this volume of his political cartoons draws from over ten years of MAC s most memorable drawings Relive the most controversial and memorable news stories from the past few years with MAC s unmistakeable style and incisive acerbic wit Bound to raise many laughs The Best of MAC The Political Years captures highlights such as George Dubya s War on Terror in full the credit crunch and of course all the old chestnuts financial irregularity failing schools and hospitals binge drinking and sex scandals EndFragment      *The Best of Mac* Stan McMurtry,2009-10-05 From the perennially popular resident cartoonist at the Daily Mail comes a new collection of hilarious illustrations that capture the most memorable and controversial news stories of the last decade Best selling Daily Mail cartoonist Mac s collections are a popular perennial of the Christmas season For the first time this new volume draws on not only this year s cartoons but on a choice selection from the last decade Relive the most controversial and memorable news stories from the past ten years with Mac s unmistakeable drawing style and incisive acerbic wit Bound to raise many laughs The Best of Mac captures highlights such as the Macca Mills divorce rising oil prices GM food protests George Dubya s War on Terror in full the credit crunch and of course all the old political chestnuts financial irregularity failing schools and hospitals binge drinking and sex scandals      Bookseller and the Stationery Trades' Journal ,1975      **Exhibitors Daily Review** ,1926      Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment
