Macaulay Kenneth Young, 1976 **The Writing of History in Britain** Charles A. Watson, 1982 **Monographic Series** Library of Congress, Catharine Macaulay and Mercy Otis Warren Kate Davies, 2005-12-22 Catharine Macaulay and Mercy Otis Warren were radical friends in a revolutionary age They produced definitive histories of the English Civil War and the American Revolution attacked the British government and the United States federal constitution and instigated a debate on women's rights which inspired Mary Wollstonecraft Judith Sargent Murray and other feminists Drawing on new research including recently discovered correspondence this is the first book to consider Macaulay and Warren in the context of the revolutionary Atlantic In a series of detailed interdisciplinary studies Davies suggests the centrality of both women to transatlantic political cultures between the middle of the eighteenth century and the turn of the nineteenth The experience of Anglo American conflict formed Macaulay and Warren's friendship and radically changed their writing lives In showing how it did so Davies also explains how the revolutionary Atlantic shaped modern ideas of gender difference Anglo American separation had a politics of gender which defined Warren and Macaulay's awareness of themselves as women and of which their writing also offered important critiques Davies s book reveals the political significance of Mercy Otis Warren and Catharine Macaulay to an era when the truths of patriotism nationhood and empire were never wholly self evident but were hotly contested Critical Survey of Poetry Frank Northen Magill, 1982 Provides a comprehensive overview of poets their works and the poetic genre in general **Library of Congress Catalogs** Library of Congress, 1979 The British National Bibliography Arthur James Wells, 1974 Subject Catalog Library of Congress, 1979 **National Union** Subject Catalog, 1978 Library of Congress, 1978 Catalog, Includes entries for maps and atlases The British **Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983 National union catalog, 1978 Library **Doris Lessing** Michael Thorpe, 1973 Doris Lessing s first book The Grass is Singing was published in of Congress, 1978 1950 and was immediately recognized as a novel of outstanding promise Most of her life up to the age of thirty was spent in Rhodesia and her first four novels and collections of stories all have African settings Since settling in Britain she has shown that she possesses a far wider range of vision as well as a remarkable versatility of technique She is a writer of radical opinions but has never allowed herself to become a doctrinaire her humanitarian sympathies embrace the whole sweep of the relation of the individual conscience to the collective Her African books are concerned not so much with diverse racial experience as instead with the specific perspective of the white milieu her main business is with the white settlers she knows best and her approach is often to contrast their natural and human imperfections with their position of political or technological advantage The essay surveys at length her major five volume novel cycle The Children of Violence and its exploration of the ideological feel of the mid century It also discusses her view of the closely interrelated problems of the responsibility of the writer the life of the free woman and the spiritual isolation of modern humanity these themes infuse such

books as The Golden Notebookand Briefing for a Descent into Hell Lessing is a novelist of exceptional power who has never hesitated to apply her gifts to difficult or intractable material above all in Michael Thorpe's phrase she possesses the unteachable quality of keeping the reader morally alive Michael Thorpe was Associate Professor of English in the University of Calgary Canada He was author of Morning in Ankara and other poems By the Niger and other poems and of critical studies on Matthew Arnold and Siegfried Sassoon as well as editor of the latter's The Old Century He has also edited A Choice of Clough s Verseand anthologies of modern prose and poems Applied History and Contemporary Policymaking Robert Crowcroft, 2022-10-06 Robert Crowcroft has assembled a world class international cast of outstanding scholars and international figures to produce a stimulating collection of essays on applied history and policy making With contributors such as Philip Bobbitt Margaret MacMillan and Jeremy Black this collection of essays addresses some of the most important geopolitical challenges confronting the world today From reconstructing collapsed political regimes to security competition in the China Seas and the evolution of Salafi Jihadi ideology it explores a range of statecraft policy and strategy The essays span a number of policy areas and historical problems tackling important questions about what historians do and should do and considering the nature and limits of historical judgement With some examining how applied history can be used to rethink contemporary challenges others explore how it has been used and abused in the past Making a splash in intellectual debate by making a definitive case for Applied History this book demonstrates that a knowledge of the past and the insight it provides is imperative to effective statecraft Literature and Nation Harish Trivedi, Richard Allen, 2000 This is the first book to deal with the culture of Britain and India over the past two hundred years in an integrated way Previously unavailable texts make this an invaluable resource for all those interested in British and Indian literature The Myth of Rome in Shakespeare and his Contemporaries Warren Chernaik, 2011-03-17 When Cleopatra expresses a desire to die after the high Roman fashion acting in accordance with what s brave what s noble Shakespeare is suggesting that there are certain values that are characteristically Roman The use of the terms Rome and Roman in Julius Caesar Antony and Cleopatra or Jonson's Sejanus often carry the implication that most people fail to live up to this ideal of conduct that very few Romans are worthy of the name In this book Chernaik demonstrates how in these plays Roman values are held up to critical scrutiny The plays of Shakespeare Jonson Massinger and Chapman often present a much darker image of Rome as exemplifying barbarism rather than civility Through a comparative analysis of the Roman plays of Shakespeare and his contemporaries and including detailed discussion of the classical historians Livy Tacitus and Plutarch this study examines the uses of Roman history the myth of Rome in Shakespeare's age The Secret History of Domesticity Michael McKeon, 2006-12-06 Taking English culture as its representative sample The Secret History of Domesticity asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries Treating that relation as a crucial instance of the modern division of knowledge Michael McKeon narrates its pre history along with that of its essential

component domesticity This narrative draws upon the entire spectrum of English people's experience At the most public extreme are political developments like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual Subject The middle range of experience takes in the influence of Protestant and scientific thought the printed publication of the private the conceptualization of virtual publics society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor The most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority Subjectivity and sexuality McKeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with Richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation McKeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse He also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel A capacious and synthetic historical investigation The Secret History of Domesticity exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another **British** Writers: William Wordsworth to Robert Browning British Council,1979 This collection of critical essays covers hundreds of writers who have made significant contributions to British Irish and Commonwealth literature from the 14th century to the present day The contributors analyze many individual works and engage the reader withtheir distinctive themes and stylistic Introductory essays and chronological tables open each volume and provide historical background **Pivotal Deterrence** Timothy W. Crawford, 2003 Crawford explains the political dynamics of pivotal deterrence and the conditions under which it is likely to succeed while examining some of its most impressive feats and failures German Chancellor Otto von Bismarck s agile approach to the 1870s Eastern Crisis which prevented war between Russia and Austria Hungary is contrasted with Britain's ambiguous and ill fated maneuvers to deter Germany and France in July 1914 Shifting to the 1960s Cold War Crawford explores the successes and setbacks in U S efforts to prevent NATO allies Greece and Turkey from fighting over Cyprus and to defuse the Kashmir conflict between India and Pakistan BOOK JACKET **Subject Index of Modern Books Acquired** British Library,1971
