Macbeth Onstage An Annotated Facsimile Of Glen Byam Shaws 1955 Promptbook:

Macbeth Onstage Glen Byam Shaw, 1976-01-01 **Macbeth Onstage** William Shakespeare, 1976 *Macbeth Onstage* Michael Mullin, 1978-01-01 **2000 Lectures and Memoirs** British Academy, 2001 Volume 111 of the Proceedings of the British Academy contains 12 British Academy lectures and 17 obituaries of Fellows of the British Academy *Macbeth* Nick Moschovakis, 2008-03-03 This volume offers a wealth of critical analysis supported with ample historical and bibliographical information about one of Shakespeare's most enduringly popular and globally influential plays. Its eighteen new chapters represent a broad spectrum of current scholarly and interpretive approaches from historicist criticism to performance theory to cultural studies. A substantial section addresses early modern themes with attention to the protagonists and the discourses of politics, class, gender, the emotions, and the economy, along with discussions of significant minor characters and less commonly examined textual passages. Further chapters scrutinize Macbeth's performance, adaptation, and transformation across several media: stage, film, text, and hypertext in cultural settings ranging from early nineteenth-century England to late twentieth-century China. The editor's extensive introduction surveys critical theatrical and cinematic interpretations from the late seventeenth century to the beginning of the twenty-first while advancing a synthetic argument to explain the shifting relationship between two conflicting strains in the tragedy's reception. Written to a level that will be both accessible to advanced undergraduates and at the same time useful to postgraduates and specialists in the field, this book will greatly enhance any study of Macbeth. Contributors: Rebecca Lemon, Jonathan Baldo, Rebecca Ann Bach, Julie Barmazel, Abraham Stoll, Lois Feuer, Stephen Deng, Lisa Tomaszewski, Lynne Bruckner, Michael David Fox, James Wells, Laura Engel, Stephen Buhler, Biqi Beatrice Lei, Kim Fedderson, and J. Michael Richardson. Bruno Lessard, Pamela Mason **Macbeth** William Shakespeare, 2004-06-17 This is a detailed account of the theatre history of Shakespeare's Macbeth from 1607 to the present day. The shortest of the tragedies, Macbeth is compressed, complex, and ambiguous, and has been variously interpreted. The Introduction describes major productions and performers, including David Garrick, Sarah Siddons, Henry Irving, Ellen Terry, and Laurence Olivier. Sarah Siddons, the greatest Lady Macbeth, portrayed her as a ruthlessly ambitious woman who dominated her husband. Irving, on the other hand, saw Macbeth as a bloody-minded villain, unlike his wife played by Ellen Terry, who was gentle and devoted. Ian McKellen and Judi Dench in the most successful production of the last century were united in their ambition and pursuit of evil. A detailed commentary alongside the New Cambridge Shakespeare text of the play describes how specific episodes and passages have been interpreted in the theatre **Shakespeare's Boys** K. Knowles, 2014-01-02 Shakespeare's Boys: A Cultural History offers the first extensive exploration of boy characters in Shakespeare's plays, examining a range of characters from across the Shakespearean canon in their original early modern contexts and surveying their subsequent performance histories on stage and screen from the Restoration until the present day **Shakespeare's Dramatic Transactions** Michael Mooney, 1991-07-31 Shakespeare's Dramatic Transactions uses

conventions of performance criticism staging and theatrical presentation to analyze seven major Shakespearean tragedies Hamlet Othello King Lear Macbeth Antony and Cleopatra Richard II and Richard III As scholars and readers increasingly question the theoretical models used to describe the concepts of mimesis and representation this book describes how the actor's stage presentation affects the actor's representational role and the ways in which viewers experience Shakespearean tragedy Michael Mooney draws on the work of East German critic Robert Weimann and his concept of figureposition the correlation between an actor's stage location and the speech action and stylization associated with that position to understand the actor stage location relationship in Shakespeare's plays In his examination of the original staging of Shakespeare's tragedies Mooney looks at the traditional interplay between a downstage place and upstage location to describe the difference between non illusionistic action often staged near the audience and the illusionistic localized action that characterizes mimetic art The innovative and insightful approach of Shakespeare's Dramatic Transactions brings together the techniques of performance criticism and the traditional literary study of Shakespearean tragedy In showing how the distinctions of stage location illuminate the interaction among language representation Mooney's compelling argument enhances our understanding of Shakespeare and the theater

Macbeth Bernice W. Kliman, 1995 In this book the author examines 13 major productions of Macbeth on stage and screen inviting the reader to contemplate and compare directors and actors choices for what is arguably Shakespeare's most compelling play

Focus on Macbeth John Russell Brown, 2013-09-13 First published in 1982 Macbeth exercises a strange influence over readers and theatre audiences the words of the text offer no easy clue to meaning or significance and in dramatic structure the play is very different from other Shakespearean tragedies Many kinds of study are needed in order to understand the tragedy of Macbeth and this book provides a wide range of studies that respect the individuality of the text and examine it from different viewpoints Contents include Themes and Structure Characterization and Narrative Visual Effects Performance in the Eighteenth Nineteenth and Twentieth Centuries Historical and Political Background Role of Witchcraft Game Theory Contributors include John Russell Brown Derek Russell Davis Gareth Lloyd Evans R A Foakes Michael Goldman Robin Grove Peter Hall Michael Hawkins Brian Morris D J Palmer Marvin Rosenberg and Peter Stallybrass
