Macdonald Hall Goes Hollywood:

MacDonald Hall Goes Hollywood Gordon Korman, 1991-01 Best friends Bruno and Boots become friends with the star of the film that is being shot on location at Macdonald Hall MacDonald Hall Goes Hollywood Gordon Korman, 2014-11-25 From 1 NEW YORK TIMES bestselling author Gordon Korman comes another sidesplitting tale chronicling the misadventures of the boarding school boys of MacDonald Hall Intending to use MacDonald Hall as a location and the locals as scenery the film crew of a new Hollywood movie find the not so ordinary Bruno and Boots getting into everything as the beleaguered headmaster Mr Fish could have warned them **The Spatial Dynamics of Juvenile Series Literature** Michael G. Cornelius, 2020-11-11 Where we come from where we are where we have been and where we are going all have a huge impact on who we are Theories of space and place also hold that the converse is equally true that we have an impact on those spaces and places we inhabit or dwell within We make space our agencies our cultures our beliefs and values and understandings shape the macro and micro environments around us Just as much however those places we inhabit shape us causing us to adapt ourselves to them Children exist in spaces that are crafted for them by adults by parents by school administrators and teachers and as such their impact on space can be somewhat limited Space is made for them but certainly not to their own specifications or liking In children s literature spaces are often seen as noteworthy markers of a child s progression toward adulthood whether the space is Laura Ingalls little house or Harry Potter s Hogwarts For these characters movement through space is about growth and change about accepting the inevitability of growing up and the responsibility of the adulthood whether that be marriage and motherhood or vanquishing the most evil wizard of all time However what about juvenile series books whose central protagonists generally never grow or change The central character of these series usually a flat unchanging trope more than a fully realized fleshed out dynamic figure is a static creation Though characters like Nancy Drew and the Hardy Boys frequently move through different geographies they never change as characters In fact one could argue that the only dynamic that ever experiences any alteration in a series like Nancy Drew is setting Surely there is something significant about the relationship of series books to those spaces their protagonists inhabit This collection explores that relationship the dynamics between the controlled spaces of childhood and the variable spaces of juvenile series literature It shows that the unchanging series book characters demonstrate that their impact on space is far greater than its impact ever is on them reflecting an exercise in spatial authority that most children and even children s book heroes never quite experience The Chicken Doesn't Skate (Novel Study) Gr. 5-6 Ron Leduc, 1999-01-01 The Chicken Doesn t Skate is a coming of age story surrounding a group of students a hockey team and a chicken Milo s science fair project entitled The Complete Cycle of a Link in the Food Chain follows the life cycle of a chicken named Henrietta All the children take turns looking after the chicken When it s Zachary s turn the chicken escapes and finds herself at the hockey arena The hockey team the Rangers win their first game and keep Henrietta as their mascot When it s time for Henrietta to

complete her cycle the children must find a way to keep her out of the frying pan This Novel Study provides a teacher and student section with a variety of activities discussion questions and answer key to create a well rounded lesson plan

Don't Care High Gordon Korman,2012-09-01 Gordon Korman s hilarious novel about alienated youth is available again Paul Abrams has just moved from Saskatoon to New York City At first he thinks that Don t Care High is just a funny nickname for his new school Don Carey High But he soon discovers that it s a pretty accurate description The school is run down the student body is apathetic to the point of being comatose and he has to barter for his own locker from Feldstein the locker baron Then Paul meets Sheldon who has a grand plan He gets Mike Otis the most mysterious oblivious and least interested student in the school elected student council president and then uses Mike s name to get things changed Soon the Don t Care students find themselves caring in spite of themselves and the administration is baffled and worried because who IS the mysterious Mike Otis anyway Featuring some of its zaniest characters to date Don t Care High remains a treasured favourite among longtime Korman fans and continues to speak to anyone who is trying to get through high school [I Want to Go Home \(Novel Study\) Gr. 5-6](#) Ron Leduc,1999-01-01 I Want to Go Home is the story of a boy s various escape attempts from Camp Algonkian Rudy Miller is sent to Camp Algonkian by his parents on the misguided advice of the school guidance counselor There Rudy is determined to become his own man by making snide comments of the camp founder s bow legs playing chess instead of the scheduled activities or making a salad for his counselor At night instead of singing campfire songs Rudy spends his time planning various escapes from the camp When a badly planned wager leaves Rudy in charge of the camp for a day the campers will either kill him or call him a hero Our Novel Studies provide a teacher and student section with a variety of activities discussion questions and answer key to create a well rounded lesson plan [The Canadian Encyclopedia](#) James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert

Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
