Princesses on the Wards Coryne Hall, 2014-09-01 Queens and princesses have always shown care and compassion but many went much further They were not afraid to roll up their sleeves work in wards or help in field hospitals and operating theatres despite their sheltered upbringings Through wars and revolutions across Europe their experiences were similar to those of thousands of other nurses but this is the first time that their involvement in nursing and the extent of their influence on the profession has been detailed in full Beginning with two daughters of Queen Victoria Princess Alice and Princess Helena Princesses on the Wards looks at the difficulties these royals faced while carving a worthwhile role in an age when the place of a well born woman was considered to be in the home Empress Alexandra of Russia Queen Marie of Romania Princess Marina Duchess of Kent and Princess Alice of Greece mother of the Duke of Edinburgh were just a few of Queen Victoria's relatives who set an example of service well beyond that considered necessary for their rank Not all of them were fully trained nurses but each made a positive contribution towards alleviating suffering which cannot be overestimated

Russian Intellectual Antisemitism in the Post-Communist Era Vadim Joseph Rossman, 2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post Communist era In their concept of the identity of the Jewish people many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church as a chosen people whose destiny is to lead the way to world salvation In this book Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post Communist era neo Eurasianism Eurasian historiography National Bolshevism neo Slavophilism National Orthodoxy and various forms of racism Such extreme right wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon Rossman confronts and challenges a range of disturbing sometimes contradictory but often quite sophisticated antisemitic ideas posed by Russian sociologists historians philosophers theologians political analysts anthropologists and literary critics
