Patriot Dreams The Murder Of Colonel Rich Higgins:

Patriot Dreams Robin Higgins, Richard N. Côté, 1999 Journey Into Darkness Thomas Paul Odom, 2005 In July 1994 Thomas P Odom was part of the U S Embassy team that responded to the Goma refugee crisis He witnessed the deaths of 70 000 refugees in a single week In the previous three months of escalating violence the Rwandan genocide had claimed 800 000 dead Now in this vivid and unsettling new book Odom offers the first insider look at these devastating events before during and after the genocide Odom draws on his years of experience as a Defense Attach and foreign area specialist in the United States Army to offer a complete picture of the situation in Zaire and Rwanda focusing on two U S embassies intelligence operations U N peacekeeping efforts and regional reactions His team attempted to slow the death by cholera of refugees in Goma guiding in a U S Joint Task Force and Operation Support Hope and remaining until the United States withdrew its forces forty days later After U S forces departed Odom crossed into Rwanda to spend the next eighteen months reestablishing the embassy working with the Rwandan government and creating the U S Rwandan Demining office Odom assisted the U S Ambassador and served as the principal military advisor on Rwanda to the U S Department of Defense and National Security Council throughout his time in Rwanda His book candidly reveals Odom s frustration with Washington as his predictions that a larger war was coming were ignored Unfortunately he was proven correct the current death toll in that unfortunate country is close to three million Odom s account of the events in Rwanda illustrate not only illustrate how failures in intelligence and policy happen but also show that a human context is necessary to comprehend these political decisions *Pater Noster in Condoland* Norman Ross, 2008-03-25 This book is a collection of blogs written almost daily from August 2007 until New Year s Day 2008 It is a journal of everyday events in the life of the author who writes under the name Red Baron and who retired to a condo in Florida with his wife RH in 1982 We are Marines! Linda Cates Lacy, 2004

The Seventh Sense Lyn Buchanan, 2009-11-24 For the past thirty years the United States government has secretly trained a select corps of military personnel in the art of remote viewing the psychic ability to perceive the thoughts and experiences of others through the power of the human mind Now for the first time Lyn Buchanan a world renowned expert on remote viewing and its potential tells the complete candid story of his experiences Assigned for nearly a decade to a clandestine U S Army intelligence group Buchanan trained military personnel who utilized their inherent psychic abilities as a data collection tool during the Iran hostage crisis the Chernobyl disaster and the Gulf War In this incredible account Buchanan tells how he was selected for his unique psychic abilities and how he was transformed from an ordinary soldier into one of our nation s leading psychic spies Working on top secret government and military projects using mental espionage created permanent life altering changes within Buchanan Now after many years of analysis and interpretation he reveals the techniques and mental exercises used to train remote viewers and demonstrates that each of us carries a dormant psychic ability that we can explore and use ourselves For anyone interested in a hard scientific look at the reality of psychic covert

operations in the world today or anyone who has ever wondered if he or she could have the inherent skills to become a remote viewer this fascinating chronicle of life as a psychic spy will reveal the answers **Phenomena** Annie Jacobsen, 2017-03-28 The definitive history of the military's decades long investigation into mental powers and phenomena from the author of Pulitzer Prize finalist *The Pentagon's Brain* and international bestseller *Area 51* This is a book about a team of scientists and psychics with top secret clearances For more than forty years the U S government has researched extrasensory perception using it in attempts to locate hostages fugitives secret bases and downed fighter jets to divine other nations secrets and even to predict future threats to national security The intelligence agencies and military services involved include CIA DIA NSA DEA the Navy Air Force and Army and even the Joint Chiefs of Staff Now for the first time New York Times bestselling author Annie Jacobsen tells the story of these radical controversial programs using never before seen declassified documents as well as exclusive interviews with and unprecedented access to more than fifty of the individuals involved Speaking on the record many for the first time are former CIA and Defense Department scientists analysts and program managers as well as the government psychics themselves Who did the U S government hire for these top secret programs and how do they explain their military and intelligence work How do scientists approach such enigmatic subject matter What interested the government in these supposed powers and does the research continue **Phenomena** is a riveting investigation into how far governments will go in the name of national security **Various Presidential Nominations for the Department of Veterans Affairs** United States.
