Being and Neonness Luis De Miranda, 2024-05-21 A cultural and philosophical history of neon from Paris in the twentieth century to the perpetually switched on present day For most of us the word neon conjures images of lights colors nightlife and streets It evokes the poetry of city nights For Luis de Miranda neon is a subject of philosophical curiosity Being and Neonness is a cultural and philosophical history of neon from early twentieth century Paris to the electric perpetually switched on present day Manhattan It is an inspired journey through a century of night deciphering the halos of the past and the reflections of the present to shed light on the future Invented in Paris in 1912 neon first appeared on a modest but arresting sign outside a small barbershop the sign lit up number 14 Boulevard Montmartre attracting so many passersby that the barber's revenues soon doubled A century later neon is no longer just a sign it is a mythic object a metonymy of contemporary identity and a metaphor for the present signifying the ubiquity of commerce and the tautology of hypermodernity But perhaps the noble gas of neon whispers something more something deeper In ten short poetic yet precise chapters de Miranda explores the neon lights of the twentieth century He considers among other historical curiosities the neon compulsions of the Italian Futurists the Soviet program of neonization the Nazi's deployment of neon for propaganda purposes Baudelaire's halo and Benjamin's aura neon as a gas and crystallized chaos neon and power neon and capitalism all of this backlit by an original reading of Sartre's Being and Nothingness This English edition has been

thoroughly revised and adapted from the French edition *L'être et le néon* One Reckless Summer Toni Blake, 2009-05-26 It's tough to play it cool on a sultry summer night The perfect daughter The perfect prom queen The perfect wife Jenny Tolliver's been the good girl all her life and it's gotten her nowhere Now that her marriage has been busted up by her cheating ex she's decided it's time to regroup and rediscover herself This summer she's headed back to her hometown of Destiny Ohio to the very lakeshore cottage where she grew up to figure out what life holds in store for her next She never dreamed the answer would be Mick Brody Destiny's #1 hellraiser He comes from the wrong side of the tracks or in his case the lake and he's landed in hot water more times than he can count He's exactly the kind of guy Jenny's always kept her distance from but soon the good girl and the bad boy are caught in a raw heat that's out of control Too bad Mick's got a secret that threatens to

tear them apart and ruin Jenny's perfectly passionately reckless summer *THE HUES OF REFLECTION (VOL-2)*

AUTHORS OF THE BHARAT, Our Anthology THE HUES OF REFLECTION contains marvellous literary work of various authors across the whole Bharat. It is compiled to give a platform to the budding writers of our great nation and help them in coming forward and present their literary work in front of the whole world *The Inheritors* Brian Penton, 2003. In the Preface to *Inheritors* Brian Penton says the characters are fictional and then comments that this is not to say the book is a work of imagination. He acknowledges that he would need a large volume to accurately reflect the many works he drew on for background and period. This leaves open to interpretation whether or not the Cabell family in *Inheritors* might have been based on some or the more notorious of Queensland's nineteenth century European settlers. This wide ranging saga of family conflict and social injustice leaves few of the skeletons of Queensland colonial past buried. It is also known as *Giant's Stride*. *Landtakers* 1934 and *Inheritors* 1936 are two parts of an unfinished trilogy depicting Queensland's early colonial period.

Destiny's Voyage Robert "Bob" Love, 2023-06-13. History tells the story in print and film of the greatest sea disaster of a dynamic luxury liner the RMS Titanic but history has omitted this story of the other greatest loss of the RMS Titanic's ancestor of the White Star Line the SS Atlantic. Although the passenger compliment was less the percentage of loss was greater than the Titanic and equally horrific. You will take a journey about the first of the White Star Line's luxury steel hull steamships which still carried her sails. Why did the Atlantic divert her voyage to New York to sail to Halifax leading her to crash on Nova Scotia's granite shore. This story tells of the Destiny of not only the ship herself but of her passengers who made fatal decisions to be on board. Like the RMS Titanic the SS Atlantic carried eleven multi millionaires leaders of industry. Learn why Mrs Rowden insisted on leaving the ship in Queenstown Ireland where 160 Irish citizens boarded for the new America dream and the carpet baggers revolt. The loss of all women and children except young John Hindley. The heroism of the Anglican Priest Reverend Ancient. This journey will make you reflect upon your own path to Destiny. It is not just about a shipwreck but the web creating the destiny of a mighty ocean liner and over one thousand souls in her care. The SS Atlantic the ancestor of the RMS Titanic *Out of Her Shadow* Eleanor Choukas Anderson, 2012-10-29. Something more troubling than an unhappy marriage calls Rebecca out into a rainy night with no shoes no plans and four young children in tow. She arrives unexpectedly at her childhood home a haunted nineteenth century mansion. She knocks on the door of her past and sets a year of extraordinary events into motion. Melanie muses that self reflection is not for the faint of heart. To find grace one must explore all facets of human nature however dark. She brings temperance humor and compassion to her relationships and to her work as a psychotherapist. When her place of employment the Southeast Counseling Center is destabilized by malevolent leadership Melanie's psyche is strained by shadows almost too deep to fathom. After the birth of her second child Pamela gives up all hope of regaining her lost youth. A numbing mist fills her emptiness as days bleed into years and she takes on motherhood with impeccable care. But a sleeping ghost is roused when her adolescent son is treated

for depression With a mothers empathy Pamela faces her own demons and in the process her passion is rekindled With wind in her sails and fifty pounds lighter she is on a mission to serve children but her prospects for a new career are complicated by torn loyalties Set in the mental health system against the vibrant backdrop of Vermont Out of Her Shadow celebrates the feminine connection and its triumph over dark spells Layers of despair and betrayal are eased by the love and laughter shared between sisters and their outrageous capacity to trump the law without breaking it

Transmigration: Prince's Modern Wife Lv Xiuzi,2020-09-09 When modern poison doctors fought the ancient evil kings they relied on tactics and wily tactics Let s see who could tame who *The Smith College Monthly* ,1918 *Brill's Companion to Horace* Hans-Christian Günther,2012-11-29 This volume centres on a detailed analysis of the whole corpus of Horace s work It is aimed at students and scholars of classical and modern literature who seek comprehensive orientation on all aspects of Horace s work

Destiny's Obligation J. Kannegieter,2004 We are intuitively interested in the history and future of human civilization Most people sense that the distant future will not be determined by fantastical circumstances sometimes depicted in contemporary Science Fiction but rather by decisions made by us and our descendants Destiny s Obligation is a realistic tale of intense drama on Earth and in Space set in the 29th century when typical human fallibility and selfish territorial interests have destroyed civilization in most places The principals are part of a group of space travelers who return to Earth after a 600 year voyage to a nearby star system What these descendants of the original explorers find is as much a surprise to them as it will be to the reader They cannot leave and must first deal with the aggressive inhabitants of a large earth satellite They visit Earth eventually and play a significant role in defeating the feuds that are threatening the survival of human society everywhere *Being and Neonness, Translation and content revised, augmented, and updated for this edition by Luis de Miranda* Luis De Miranda,2019-04-16 A cultural and philosophical history of neon from Paris in the twentieth century to the perpetually switched on present day For most of us the word neon conjures images of lights colors nightlife and streets It evokes the poetry of city nights For Luis de Miranda neon is a subject of philosophical curiosity Being and Neonness is a cultural and philosophical history of neon from early twentieth century Paris to the electric perpetually switched on present day Manhattan It is an inspired journey through a century of night deciphering the halos of the past and the reflections of the present to shed light on the future Invented in Paris in 1912 neon first appeared on a modest but arresting sign outside a small barbershop the sign lit up number 14 Boulevard Montmartre attracting so many passersby that the barber s revenues soon doubled A century later neon is no longer just a sign it is a mythic object a metonymy of contemporary identity and a metaphor for the present signifying the ubiquity of commerce and the tautology of hypermodernity But perhaps the noble gas of neon whispers something more something deeper In ten short poetic yet precise chapters de Miranda explores the neon lights of the twentieth century He considers among other historical curiosities the neon compulsions of the Italian Futurists the Soviet program of neonization the Nazi s deployment of neon for propaganda purposes Baudelaire s halo and Benjamin s
