Reclaiming Inactive Church Members Doug Partin, 1996 *How to Attract and Keep Active Church Members* Donald P. Smith, 1992-01-01 In this study of church growth and membership retention Smith argues that if a church is to survive it must concentrate on keeping its present members as well as attracting new ones Interviewing people from 600 churches of various sizes and reviewing the causes of membership decline and retention in those churches Smith asserts that churches must meet members needs in order to attract and keep them **Paralysis in the Pew** Dr. Jeffrey T. Rainey, 2016-09-26 The

author admits that the church has the highest unemployment rates The church has been gifted by the Lord with many vital ministries that are available for the growth of the body of Christ Sadly the greater percentage of members are neither enrolled nor engaged in the work of the ministry As a result very few members keep the local church functioning while the majority of the members because of what the author calls functional paralysis have neither feeling nor desire to function Too many congregants are a part of the membership but apart from the ministry Too many are unaware or uncaring concerning the needs of the body and of the bodys genuine need for them in order to effectively function What the author describes as paralysis in the pew is a grave yet growing spiritual condition within the local churches As a physical impediment paralysis has been drastically improved even cured with the aid of physical therapy prescribed treatments and personal trust and initiative It is the authors contention that parallel treatments when viewed spiritually and applied in the spiritual and physical realm can drastically improve even cure paralysis in the pew Job Descriptions and Duties for Church Members and

Workers Herbert Byrne, 2005-06 Job descriptions are suggested in this manual for workers in the church and Sunday School Duties in Christian living and service are provided High Expectations Thom S. Rainer, 1999-02-15 For over a quarter of a century the problem of losing church members has progressively increased Today the situation is so bad that less than one third of the members in some churches attend worship services Church leaders are crying for help In an effort to help church leaders the Billy Graham School of the Southern Baptist Theological Seminary conducted a massive research project involving nearly 287 churches The most revealing aspect of the study was that the higher expectations placed on members the greater the likelihood that the members would stay and be involved with the church Using the data gathered from this project Thom Rainer presents the first ever comprehensive study about closing the back door Rainer looks at why people are leaving the church and how church leaders can keep the members **A Ministry of Reclaiming Inactive Church**

Members of First Baptist Church, Quitman, Georgia William D. Wood, 1979 **Atlanta's Ebenezer Baptist Church** Benjamin C. Ridgeway, 2009 Ebenezer Baptist Church in Atlanta was founded in 1886 The name Ebenezer means rock or

stone of help From a small group of believers many of whom were former slaves in a boxlike structure on Airline Alley Ebenezer has grown to an internationally known church with over 4 000 members The Gothic architecture of the Heritage Sanctuary on Auburn Avenue coupled with the influence of the African meetinghouse seen in the architecture of the Horizon Sanctuary across the street reflects the diversity of outreach of Ebenezer s ministry Ebenezer has been a beacon of racial pride and social consciousness The love and cooperation between the members and the pastor have created a family atmosphere that has sustained the growth and expansion of the church

Sloat, 1991-10-22 Whether in the home or in the church or in a Christian school the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles Christian Education Foundations for the Future introduces you to the basics of a healthy Christian education program then takes you beyond showing you how to develop a fresh innovative Christian education program that will revitalize your church home or school

Becoming Barnabas Paul Moots, 2004-10-30 Western culture has made a cult of success and the church has accepted the larger culture s definition focusing on success as growth in membership and budget rather growth in faithfulness as disciples of Jesus When we do not measure up we become discouraged disillusioned and perhaps even envious Moots details numerous examples to show how the ministry of encouragement offers a workable effective pattern for church leadership I am convinced he writes that accepting Barnabas as my model has changed my ministry for the better and that Barnabas s example can benefit any pastor and congregation who take his lessons seriously Barnabas and his ministry of encouragement offer us a focus for the vital messy and exhilarating work required of us as faith communities
