Recreating Partnership:

Recreating Partnership Phillip Ziegler, Toby Hiller, 2001-07-31 All couples go through challenging times some survive and thrive others don't How can we understand and use this distinction in the practical application of therapy In their solution oriented competency based approach to couples therapy Phillip Ziegler and Toby Hiller answer this question In *Recreating Partnership* an innovative theoretically sound and practical handbook for clinicians Ziegler and Hiller present a bold and clinically useful concept the good story bad story dichotomy The book shows clinicians how to use this narrative concept in conducting effective and efficient relationship therapy that will help couples build solutions collaboratively invigorate partnership and thrive each in their own unique ways The book covers issues such as establishing rapport with antagonistic partners developing therapeutic goals hosting conversations that reinvigorate the couple's good story how when and whether to offer task assignments addressing issues such as domestic violence and how to bring therapy to a close as well as many cogent and helpful transcripts Written for psychologists social workers marriage and family therapists and anyone who works with couples *Recreating Partnership* will be exciting and useful to both the novice and experienced practitioner

Clinical Handbook of Couple Therapy, Fourth Edition Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy Noted contributors many of whom developed the approaches they describe combine clear conceptual exposition with thorough descriptions of therapeutic techniques In addition to presenting major couple therapy models in step by step detail the book describes effective applications for particular populations and problems Chapters adhere closely to a uniform structure to facilitate study and comparison enhancing the book's utility as a reference and text See also *Clinical Casebook of Couple Therapy* also edited by Alan S Gurman which presents in depth illustrations of treatment

Empowering Couples Duane R. Bidwell, 2013-02-01 Couples can make significant progress toward resolving their own problems when they receive appropriate guidance from a caring person This book outlines five tasks focused on identity agency and meaning that spiritual caregivers can use to empower couples for significant change in just three to five conversations This form of empowering guidance is a dimension of pastoral conversation rather than formal counseling Critically integrating desert spiritual theology with empirical data about successful marriages Bidwell advocates for mutuality and partnership within covenanted relationships which allows partners to create an alliance strong enough to resist the forces that threaten relationships especially the negative influences of criticism contempt defensiveness and withdrawal

Intimate Partner and Family Abuse John Hamel, LCSW, 2008-06-16 The collected case examples are noteworthy in their diversity of presenting issue treatment format and outcome As a whole they underline our continued need to conduct assessments with clients prior to initiating treatment to direct treatment toward identified client related problems in essence meeting clients where they are and to collect data that speaks to the effectiveness of our interventions in many settings and with many types of clients Jennifer Langhinrichsen Rohling PhD

Professor of Psychology University of South Alabama Shows how to successfully conduct family interventions using case studies Includes male perpetrated female perpetrated and mutual violence scenarios Presents a variety of theoretical orientations Includes discussion questions after each case study This casebook showcases a wide variety of couples and families whose domestic violence cases vary in their composition ethnic and socioeconomic status and mental health issues The case authors outline different therapeutic approaches for each case including cognitive behavioral family systems feminist problem solving and many others Each account includes a thorough description of the assessment procedure treatment goals and reasons for selecting a particular approach and an account of the course of treatment The book is primarily intended for mental health professionals and graduate students in the fields of family therapy counseling and family violence but will also be of value to anyone in the field of family violence and those concerned with domestic violence public policy prevention and intervention
