Recreation Programs That Work For At Risk Youth:

Recreation Programs that Work for At-risk Youth Peter A. Witt, John L. Crompton, 1996 This book presents case studies of 38 recreation programs that are serving the diverse needs of at risk youth in small and large communities Detail is provided that will enable communities facing the challenge of ameliorating potential problems created by at risk youth to initiate or improve their work with this difficult target population Information is provided on approaches that public agencies are using to collaborate with voluntary sector agencies and the business community as well as methods being used to involve youth and other stake holders in program planning Background information for each program is provided together with program descriptions collaborative arrangements financing marketing and staffing arrangements and where available evidence of program effectiveness and outcomes This book is a must for recreation program planners and administrators in every community striving to develop and improve their services for youth in high risk environments **Leisure Education,**

Community Development, and Populations with Special Needs Atara Sivan, Hillel Ruskin, 2000-01-01 The results are presented of a Commission of the World Leisure and Recreation Association WLRA to examine the role of leisure and education for leisure activities among people with special needs living in the community requiring social or health services outside hospital A conceptual and practical framework for understanding the process of leisure education is provided and its role for community development and populations with special needs discussed A total of 17 chapters serve as a foundation for developing models and programmes for leisure education within community settings and will be of interest to those working and researching in the area of education leisure studies and community development Juvenile Justice, 1993

Urban Recreation and Crime Prevention United States. Congress. House. Committee on Natural Resources. Subcommittee on National Parks, Forests, and Public Lands, 1994 **Sport and Social Exclusion** Michael Collins, Mike Collins, Tess Kay, 2014-06-20 Tackling social exclusion should be a central aim of any civilised social policy In this meticulously revised and updated new edition of his groundbreaking study Sport and Social Exclusion Mike Collins has assembled a vast array of new evidence from a range of global sources to demonstrate how the effects of social exclusion are as evident in sport as they are in any area of society The book uses sport as an important sphere for critical reflection on existing social policy and explores sport's role as a source of initiatives for tackling exclusion It examines key topics such as What is meant by social exclusion How social exclusion affects citizenship and the chance to play sport How exclusion from sport is linked to poverty class age gender ethnicity disability and involvement in youth delinquency and living in towns or countryside How exclusion is linked to concepts of personal and communal social capital It uses four revised and five new major case studies as detailed illustrations notably Be Active Birmingham the national PE and Youth School Sport strategy Positive Futures and Street Games Sport and Social Exclusion features a wealth of original research data including new and previously unpublished material as well as important new studies of social exclusion policy and practice in the UK and

elsewhere This revised edition surveys all the most important changes in the policy landscape since first publication in 2002 and explores the likely impact of the London Olympic Games on sport policy in the UK The book concludes with some typically forthright commendations and critiques from the author regarding the success of existing policies and the best way to tackle exclusion from sport and society in the future By relating current policy to new research the book provides an essential guidebook for students academics and policy makers working in sport policy and development

Public Health Reports ,1991 **Exercise, Health and Mental Health** Guy E.J. Faulkner,Adrian H. Taylor,2005-12-19 The first of its kind this book is written by internationally acclaimed scientists and presents an introduction to the emerging field of exercise as a strategy for mental health promotion providing a platform for future research and practice
