All you need are a few people who simply want to have more home cooked food in their lives. In a soup club, each person takes a turn making soup. Soup is forgiving, versatile, and perfect for sharing; it can be spiced to taste, topped elaborately or not at all, and dressed up or down. It travels well and reheats beautifully. The Soup Club Cookbook also has dozens of tips for cooking in quantity and for tailoring soup to individual tastes and needs. Here too are simple guidelines for starting your own soup club, anecdotes, and a few cautionary tales that will inspire anyone to share food and eat well.
