A Boy I Once Knew Elizabeth Stone, 2002-05-17 A touching and heartfelt true story about loss memory and a remarkable bond between an English teacher and one of her former students Booklist One morning a box was delivered to Elizabeth Stone's door It held ten years of personal diaries and a letter that began Dear Elizabeth You must be wondering why I left you my diaries in my will After all we have not seen each other in over twenty years What followed was an extraordinary year in Elizabeth's life as she read Vincent's diaries and began to learn about the high school student she taught in Brooklyn twenty five years before A Boy I Once Knew is the story of the man Vincent had become and one woman's journey to understanding him more deeply and along the way understanding herself With his diaries Vincent becomes a constant presence in Elizabeth's household She follows his daily life in San Francisco and his travels abroad She watches him deal with the deaths of friends in the gay community during the AIDS epidemic She judges him She gets angry with him She develops affection and compassion for him In some ways she brings him back to life And in doing so she becomes the student and Vincent the teacher He forces her to examine her life as well as his challenges her feelings and fears about death and ultimately proves to her that relationships between two people can deepen even after one of them is gone A meditation on memory and how a story can be a form of immortality Amy Tan author of The Joy Luck Club Grandma Has a "Tale"

Bernice Zakin, 2011-12-07 This is not a bushy tail or a long tail or even a fuzzy tail but it is my tale So here it is my Long Ago In my long ago there was no radio TV computers iPads air conditioning and many more nos There was just after the first world war and what came next which happens to coincide with my childhood memories In this regard I will endeavor to recall as many incidents as I possibly can and then perhaps my children grandchildren and great grand kids will be able to envision me in a role other than Mom gram or big grandma Where to begin That is indeed a problem I think starting with my maternal grandparents would be best so here goes *The DD Group* David Marshall, 2005-03-16 I am told that the first two names I

recognized as a child were President Eisenhower and Marilyn Monroe Hopefully for my parents sake this was after I understood who Mama and Daddy were To be truthful I'm not at all certain By the time the newsman interrupted my cartoons on Sunday morning August 5 1962 to tell me that Marilyn Monroe had been found dead of an overdose at the age of 36 she had become such a natural part of my daily life that I could not quite grasp the concept of a world where she was not still out there going about her surely incredible life To even begin to attempt to understand that someone as big as Marilyn Monroe could actually die threw my seven year old brain into serious philosophical doubt I kept a close watch on my parents my teachers even my close friends The way I saw it if Marilyn Monroe could die everyone was up for grabs author David Marshall from the introduction to *The DD Group An Online Investigation Into the Death of Marilyn Monroe* *Maranatha: A*
