Michigan Trees, Revised and Updated Burton V. Barnes, Warren H. Wagner, 2004-01-28 The number one book for tree identification in Michigan and the Great Lakes
Red Tree, White Tree Wendy Berg, 2010 The most important and challenging book on Arthurian and Grail tradition for many a long year Gareth Knight The relationship between human and Faery lies at the very core of the Arthurian stories In this radical re evaluation of the Grail legends Wendy Berg brings the ancient mythology of the British Isles into sharp focus centred around the marriage of King Arthur to the Faery Gwenevere and the origin and destiny of the Grail Hallows Drawing upon numerous Arthurian sources and other related texts from the Book of Genesis to The Lord of the Rings she explores the magical ritual underpinning of the legends and their connection to the ancient stellar deities of Britain When these stories are read with the additional level of understanding that they are for the most part a record of the lives and relationships of Faeries and humans working together about the Round Table they immediately become not only a great deal more interesting but also acquire a new and vivid relevance for the present day

Trees for Everyone - Easy Tree Studies for All Seasons of the Year Julia Ellen Rogers, 2015-02-15 It was late April when I came by As I looked up into that tree top the sunlight was shining through and at first I thought I must be dreaming Instead of buds I saw what seemed like lighted candles each with a silken frill like the recurved petals of an iris below the tip of flame I had never seen a tree thus illuminated and the sight was enchanting The warm spring air had brought out the hickory buds with those of other trees and while I was looking for flowers on the ground the buds above had swollen cast off the winter covers revealing the silky inner wrappings of the young shoots The rich downward curving petals were only the inner scales of the great buds grown long and wide their vivid orange setting off the compact yellow buds that still stood erect I had never seen a hickory tree opening its iris like buds before but I have never missed it since From Chapter 1
